**NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF HILLIARD, OHIO:**

**Section 1.** Issuance of the Bonds. The Bonds may be issued in one or more series.

**Section 2.** Combining Bonds for Purposes of Issuance and Sale. It is hereby determined, that for the purposes of issuance and sale, it may be in the best interest of the City to combine the Bonds with other limited tax general obligation bonds of the City authorized by separate ordinance of this Council. The Bonds and such other bonds shall be jointly referred to herein as the "Combined Bonds." As used in this Ordinance, the term "Bonds" shall also mean the Combined Bonds, where appropriate.

**Section 3.** Terms of the Bonds. The Bonds shall be issued as fully registered bonds in book-entry form only, in denominations of \$5,000 or any integral multiple thereof; shall be numbered consecutively from R-1 upward, as determined by the Director of Finance; shall be dated the date determined by the Director of Finance and set forth in the Certificate of Fiscal Officer provided for hereinbelow; and shall bear interest, payable semiannually on such dates as shall be determined by the Director of Finance and set forth in the Certificate of Fiscal Officer, until the principal sum is paid or provision has been duly made therefor. Interest shall be calculated on the basis of a 360-day year of twelve 30-day months.

**Section 4.** Certificate of Fiscal Officer Relating to Terms of Bonds. The Director of Finance is hereby authorized and directed to execute of behalf of the City a Certificate of Fiscal Officer Relating to Terms of Bonds (the "Certificate of Fiscal Officer") setting forth the aggregate principal amount and the final terms of the Bonds, which aggregate principal amount and terms, subject to the limitations set forth in this Ordinance, shall be as determined by the Director of Finance. The Certificate of Fiscal Officer shall indicate the dated date for the Bonds, the dates on which interest on the Bonds is to be paid (the "Interest Payment Date"), the purchase price for the Bonds (which shall be not less than 97% of the face value thereof), the maturity schedule for the Bonds, the interest rates for the Bonds (provided that the true interest cost for all Bonds in the aggregate shall not exceed 5.00% per annum, the optional and mandatory redemption provisions, if any, and such other terms not inconsistent with this Ordinance as the Director of Finance shall deem appropriate.

**Section 5.** Redemption Provisions of the Bonds. The Bonds shall be subject to optional and mandatory redemption prior to stated maturity, as provided in the Certificate of Fiscal Officer. If optional redemption of the Bonds at a redemption price exceeding 100% is to take place on any date on which a mandatory redemption of the Bonds of the same maturity will take place, the Bonds to be redeemed by optional redemption shall be selected by the Bond Registrar (as defined hereinbelow) prior to the selection of the Bonds to be redeemed at par on the same date.

**ORDINANCES**

**16-05 (continued)**

When partial redemption is authorized, the Bond Registrar shall select Bonds or portions thereof by lot within a maturity in such manner as the Bond Registrar may determine, provided, however, that the portion of any Bond so selected will be in the amount of \$5,000 or any integral multiple thereof.

The notice of the call for redemption of Bonds shall identify (i) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (ii) the redemption price to be paid, (iii) the date fixed for redemption, and (iv) the place or places where the amounts due upon redemption are payable. From and after the specified redemption date interest on the Bonds (or portions thereof) called for redemption shall cease to accrue. Such notice shall be sent by first class mail at least 30 days prior to the redemption date to each registered holder of Bonds to be redeemed at the address shown in the Bond Register (as defined hereinbelow) on the 15th day preceding the date of mailing. Failure to receive such notice of any defect therein shall not affect the validity of the proceedings for the redemption of any Bond.

**Section 6.** Form and Execution of the Bonds. The Bonds shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Ordinance; and shall be executed by the Director of Finance and the Mayor of the City (the "Mayor"), in their official capacities, provided that either or both of their signatures may be a facsimile. No Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Ordinance unless and until a certificate of authentication, as printed on the Bond, is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued and delivered under this Ordinance and is entitled to the security and benefit of this Ordinance. The certificate of authentication may be signed by any officer or officers of the Bond Registrar or by such other person acting as an agent of the Bond Registrar as shall be approved by the Director of Finance on behalf of the City. It shall not be necessary that the same authorized person sign the certificate of authentication on all of the Bonds.

**Section 7.** Payment of the Bonds. The principal of and interest on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. The principal of the Bonds shall be payable upon presentation and surrender of the Bonds at the principal office of the Bond Registrar. Each Bond shall bear interest from the later of the date thereof, or the most recent Interest Payment Date to which interest has been paid or duly provided for, unless the date of authentication of any Bond is less than 15 days prior to an Interest Payment Date, in which case interest shall accrue from such Interest Payment Date. Interest on any Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered, at the close of business on the 15th day next preceding that Interest Payment Date (the "Record Date") (unless such date falls on a non business day, in which case the Record Date shall be the preceding business day), on the Bond Register at the address appearing therein.

Any interest on any Bond which is payable, but is not punctually paid or provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Record Date by virtue of having been such owner and such Defaulted Interest shall be paid to the registered owner in whose name the Bond is registered at the close of business on a date (the "Special Record Date") to be fixed by the Bond Registrar, such Special Record Date to be not more than 15 nor less than 10 days prior to the date of proposed payment. The Bond Registrar shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Bondholder, at such Bondholder's address as it appears in the Bond Register, not less than 10 days prior to such Special Record Date, and may, in its discretion, cause a similar notice to be published once in a newspaper in each place where Bonds are payable, but such publication shall not be a condition precedent to the establishment of such Special Record Date.

Subject to the foregoing provisions of this Section, each Bond delivered by the Bond Registrar upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

**Section 8.** Appointment of Bond Registrar. The Director of Finance is hereby authorized and directed to serve as authenticating agent, bond registrar, transfer agent, and paying agent for the Bonds (the "Bond Registrar") or to execute on behalf of the Council a Bond Registrar Agreement with such bank or other appropriate financial institution as shall be acceptable to the Director of Finance and the Original Purchaser, pursuant to which such bank or financial institution shall agree to serve as the Bond Registrar for the Bonds. If at any time the Bond Registrar shall be unable or unwilling to serve as such, or the Director of Finance in such officer's discretion shall determine that it would be in the best interest of the City for such functions to be performed by another party, the Director of Finance may, and is hereby authorized and directed to enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Bond Registrar hereunder. Each such successor Bond Registrar shall promptly advise all bondholders of the change in identity and new address of the Bond Registrar. So long as any of the Bonds remain outstanding, the City shall cause to be maintained and kept by the Bond Registrar, at the office of the Bond Registrar, all books and records necessary for the registration, exchange and transfer of Bonds as provided in this Section (the "Bond Register"). Subject to the provisions of hereinabove, the person in whose name any Bond shall be registered on the Bond Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of that person. Neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds, including the interest thereon, to the extent of the amount or amounts so paid.

**ORDINANCES**

**16-05 (continued)**

Any Bond, upon presentation and surrender at the office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar, may be exchanged for Bonds of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

A Bond may be transferred only on the Bond Register upon presentation and surrender thereof at the office of the Bond Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar. Upon that transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

The City and the Bond Registrar shall not be required to transfer or exchange (i) any Bond during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Bonds, and ending at the close of business on the day of such mailing, or (ii) any Bonds selected for redemption, in whole or in part, following the date of such mailing.

In all cases in which Bonds are exchanged or transferred hereunder, the City shall cause to be executed and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Bonds. All Bonds issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Bonds surrendered upon that transfer or exchange.

**Section 9.** Book-Entry System. For purposes of this Ordinance, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Bonds may be transferred only through a book-entry and (ii) physical Bonds in fully registered form are issued only to the Depository or its nominee as registered owner, with the Bonds "immobilized" to the custody of the Depository, and the book-entry is the record that identifies the owners of beneficial interests in those Bonds.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of Bonds and to effect transfers of Bonds, in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

All or any portion of the Bonds may be initially issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Ordinance; (i) there shall be a single Bond of each maturity, (ii) those Bonds shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Bonds in book-entry form shall be shown by book-entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book-entry; and (v) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City. Bond service charges on Bonds in book-entry form registered in the name of a Depository or its nominee shall be payable in next day funds delivered to the Depository or its authorized representative (i) in the case of interest, on each Interest Payment Date, and (ii) in all other cases, upon presentation and surrender of Bonds as provided in this Ordinance.

The Bond Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Bond in the custody of a Depository providing for making all payments to that owner of principal and interest on that Bond or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided above in this Ordinance, without prior presentation or surrender of the Bond, upon any conditions which shall be satisfactory to the Bond Registrar and to the City. That payment in any event shall be made to the person who is the registered owner of that Bond on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Bond Registrar shall furnish a copy of each of those agreements, certified to be correct by the Bond Registrar, to other paying agents for Bonds and to the City. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Ordinance.

If requested, the Director of Finance and the Mayor of the City are authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the City, the letter agreement among the City, the Bond Registrar and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Bonds to the Depository for use in a book-entry system in substantially the form submitted to this Council.

The City may decide to discontinue use of the book-entry system through the Depository. In that event, Bond certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as a depository for the Bonds for use in a book-entry system, the City and the Bond Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Bond Registrar do not or are unable to do so, the City and the Bond Registrar, after the

Bond Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Bonds from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing definitive Bonds), if the event is not the result of action or inaction by the City or the Bond Registrar, of those persons requesting such issuance.

**Section 10.** Debt Service Levy. There shall be and is hereby levied annually on all the taxable property in the City, in addition to all other taxes and inside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Bonds are outstanding, for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Bonds as and when the same falls due and to provide a fund for the repayment of the principal of the Bonds at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution; provided, however, that in each year to the extent that funds are available from other sources and are lawfully appropriated for the payment of the Bonds, the amount of the Debt Service Levy shall be reduced by the amount of such funds so available and appropriated.

The Debt Service Levy shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of such years are certified, extended and collected. The Debt Service Levy shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payment of the interest and principal of the Bonds when and as the same falls due.

**Section 11.** Income Tax Pledge. The City hereby covenants, pursuant to Section 133.05(B)(7), Ohio Revised Code, to appropriate annually from lawfully available municipal income taxes, and to continue to levy and collect municipal income taxes adequate to produce, amounts necessary to meet the debt charges on the Bonds in each year until full payment is made.

**Section 12.** Sale of the Bonds. The Bonds shall be sold at private sale to KeyBanc Capital Markets Inc., Columbus, Ohio (the "Original Purchaser"), at the purchase price set forth in the Certificate of Fiscal Officer, plus interest accrued to the date of delivery of the Bonds to the Original Purchaser. The Director of Finance and the Mayor of the City, or either of them individually, are authorized and directed to execute on behalf of the City a Bond Purchase Agreement with the Original Purchaser, setting forth the conditions under which the Bonds are to be sold and delivered, which Bond Purchase Agreement shall be in such form, not inconsistent with this Ordinance, as the Director of Finance shall determine.

Any accrued interest received from the sale of the Bonds shall be transferred to the bond retirement fund to be applied to the payment of the principal of and interest on the Bonds, or other obligations of the City, as permitted by law. Any premium received from the sale of the Bonds may be used to pay the financing costs of the Bonds within the meaning of Ohio Revised Code Section 133.01(K) or be deposited into the bond retirement fund in the manner provided by law.

**Section 13.** Federal Tax Law Compliance. The City hereby covenants that it shall comply with the requirements of all existing and future laws which must be satisfied in order that interest on the Bonds is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Bonds so that the Bonds will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The City further covenants that it shall restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are issued, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

The Director of Finance, or any other officer, including the Mayor, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the City with respect to the Bonds as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Director of Finance, which action shall be in writing and signed by the Director of Finance, or any other officer, including the Mayor, on behalf of the City; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds; and (c) to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the City pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the City regarding compliance by the City with Sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Bonds sufficient to permit, to the maximum extent possible and presently foreseeable, the City to comply with any federal law or regulation now or hereafter having applicability to the Bonds which limits the amount of bond proceeds which may be invested on an unrestricted yield or requires the City to rebate arbitrage profits to the United States Department of the Treasury. The Director of Finance is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Bonds requires any such reports or rebates.

**Section 14.** Municipal Bond Insurance. The Director of Finance, or any other officer, including the Mayor, is authorized to make appropriate arrangements, if such officer deems it in the best interest of the City, for the issuance of a municipal bond insurance policy with respect to all or any portion of the Bonds, including executing and delivering a commitment therefor and certificates and other documents in connection therewith. All additional provisions required to be authorized by this Council for the issuance of a municipal bond insurance policy shall be contained in the Certificate of Fiscal Officer.

**Section 15.** Official Statement. The distribution of an Official Statement of the City, in preliminary and final form, relating to the original issuance of the Bonds is hereby authorized, and the Mayor and the Director of Finance are hereby authorized and directed to negotiate, prepare and execute, on behalf of the City and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Bonds, and they are authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Bonds as they deem necessary or appropriate to protect the interests of the City. The Mayor, Director of Finance and the Director of Law, are each authorized to execute and deliver, on behalf of the City and in their official capacities, such certificates in connection with the accuracy of the Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

**Section 16.** Obtaining of Rating for the Bonds. The obtaining or updating of a rating or ratings on the Bonds and the City is hereby authorized if the Director of Finance determines that it is necessary or advisable in connection with the original issuance of the Bonds. If the Director of Finance so determines, then the Director of Finance and this Council are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

**Section 17.** Transcript of Proceedings; Execution of Additional Documents. The officer having charge of the minutes of the Council and any other officers of the Council, or any of them individually, are hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Bonds and to furnish a copy of such transcript to the Original Purchaser. Such transcript shall include certified copies of all proceedings and records of the Council relating to the power and authority of the City to issue the Bonds and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Clerk of Council and a no-litigation certificate of the Mayor and the Director of Finance, and such certified copies and certificates shall be deemed representations of the City as to the facts stated therein.

The Director of Finance is hereby authorized and directed to take such action and to execute and deliver, on behalf of this Council, such additional instruments, agreements, certificates, and other documents as may be in his discretion necessary or appropriate in order to carry out the intent of this Ordinance. **Section 18.** Satisfaction of Conditions for Bond Issuance. It is hereby found and determined that all acts, conditions and things necessary to be done precedent to and in the issuing of the Bonds in order to make them legal, valid and binding obligations of the City have happened, been done and been performed in regular and due form as required by law; that the faith, credit and revenue of the City are hereby irrevocably pledged for the prompt payment of the principal and interest thereof at maturity; and that no limitation of indebtedness or taxation, either statutory or constitutional, has been exceeded in issuing the Bonds.

**Section 19.** Compliance with Open Meeting Requirements. It is hereby found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

**Section 20.** Filing of Bond Ordinance. The City Clerk is hereby directed to forward a certified copy of this Ordinance to the County Auditor of Franklin County, Ohio.

**Section 2.** Terms of the Bonds. The Bonds shall be dated prior to the maturity date of the Notes (as defined herein below), shall bear interest at the maximum average annual interest rate presently estimated to be 4.50% per annum, payable semiannually until the principal sum is paid, and shall mature in 28 annual installments.

**Section 3.** Issuance of Bond Anticipation Notes. It is necessary to issue, and this Council hereby determines that there shall be issued, notes in anticipation of the issuance of the Bonds.

**Section 4.** Combining Notes for Purposes of Issuance and Sale. It is hereby determined, that for the purposes of issuance and sale, it may be in the best interest of the City to combine the Notes with other limited tax general obligations notes of the City authorized by separate ordinance of this Council. The Notes and such other notes shall be jointly referred to herein as the "Combined Notes." As used in this Ordinance, the term "Notes" shall also mean the Combined Notes, where appropriate. The Combined Notes shall be designated "City of Hilliard, Ohio Various Purpose Notes, Series 2016," or as otherwise determined by the Director of Finance.

**Section 5.** Terms of the Notes; Certificate of Fiscal Officer Relating to Terms of Notes. Such anticipatory notes (the "Notes") shall be in the amount of not to exceed \$3,200,000, which sum does not exceed the amount of the Bonds. The Notes shall be dated the date established by the Director of Finance and certified to this Council and shall mature on such date as shall be determined by the Director of Finance and certified to this Council, provided that such date shall not be later than one year after the date of issuance of the Notes. The Notes shall be issued as fully registered notes in book-entry form only, in such denominations as shall be determined by the Director of Finance, but not exceeding the principal amount of Notes maturing on any one date and shall be numbered as determined by the Director of Finance.

The Director of Finance is authorized and directed to execute a Certificate of Fiscal Officer Relating to Terms of Notes (the "Certificate of Fiscal Officer") setting forth the final terms of the Notes, consistent with the requirements of this Ordinance, and to present the same to this Council after closing.

**Section 6.** General Obligation Pledge. The Notes shall be the full general obligation of the City, and the full faith, credit and revenue of the City are hereby pledged for the prompt payment of the same. The par value to be received from the sale of the Bonds and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used only for the retirement of the Notes at maturity and are hereby pledged for such purpose.

**Section 7.** Debt Service Levy. There shall be and is hereby levied annually on all the taxable property in the City, in addition to all other taxes and inside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Notes

are outstanding, in an amount not less than that which would have been levied if the Bonds had been issued without the prior issuance of the Notes, for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Notes as and when the same falls due and to provide a fund for the repayment of the principal of the Notes at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution.

The Debt Service Levy shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of such years are certified, extended and collected. The Debt Service Levy shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payments of the premium, if any, and interest on and principal of the Notes and Bonds when and as the same falls due. Notwithstanding the foregoing, if the City determines that funds will be available from other sources for the payment of the Notes and Bonds in any year, the amount of the Debt Service Levy for such year shall be reduced by the amount of funds which will be so available, and the City shall appropriate such funds to the payment of the Notes and Bonds in accordance with law.

**Section 8.** Sale of the Notes. The Notes shall bear interest, based on a 360-day year of twelve 30-day months, payable at maturity, at such rate per annum as shall be determined by the Director of Finance and certified to this Council, provided that such rate shall not exceed 5.00% per annum. The Notes shall be, and hereby are, awarded and sold at private sale to KeyBanc Capital Markets Inc., Columbus, Ohio (the "Original Purchaser"), at the purchase price set forth in the Certificate of Fiscal Officer.

The Director of Finance is hereby authorized and directed to deliver the Notes, when executed, to the Original Purchaser upon payment of the purchase price and accrued interest, if any, to the date of delivery. The proceeds of such sale, except any accrued interest or premium thereon, shall be deposited in the Treasury of the City and used for the purpose aforesaid and for no other purpose. The accrued interest received from such sale shall be transferred to the City's Bond Retirement Fund to be applied to the payment of the principal of and interest on the Notes, or other obligations of the City, as permitted by law. Any premium received from the sale of the Notes may be used to pay the financing costs of the Notes within the meaning of Ohio Revised Code Section 133.01(K) or be deposited into the City's Bond Retirement Fund, in the manner provided by law.

**Section 9.** Form and Execution of Notes; Payment of Notes. The Notes shall be executed by the Director of Finance and the Mayor, provided that any and all of such signatures may be a facsimile, shall be designated "City of Hilliard, Ohio Various Purpose Notes, Series 2016," or as otherwise determined by the Director of Finance, and shall be payable as to both principal and interest at the office of Note Registrar (as defined hereinbelow). The Notes shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Ordinance.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America without deduction for the services of the Note Registrar. The principal of and interest on the Notes shall be payable upon presentation and surrender of the Notes at their maturity at the office of the Note Registrar. No Note shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Ordinance unless and until a certificate of authentication, as printed on the Note, is signed by the Note Registrar as authenticating agent. Authentication by the Note Registrar shall be conclusive evidence that the Note so authenticated has been duly issued and delivered under this Ordinance and is entitled to the security and benefit of this Ordinance. The certificate of authentication may be signed by any officer or officers of the Note Registrar or by such other person acting as an agent of the Note Registrar as shall be approved by the Director of Finance on behalf of the City. It shall not be necessary that the same authorized person sign the certificate of authentication on all of the Notes.

**Section 10.** Appointment of Note Registrar. The Director of Finance is authorized and directed to execute on behalf of the City a Note Registrar Agreement with such bank or other appropriate financial institution as shall be acceptable to the Director of Finance and the Original Purchaser, pursuant to which such bank or financial institution shall agree to serve as authenticating agent, note registrar, transfer agent, and paying agent (the "Note Registrar") for the Notes. Interest shall be payable at maturity by check or draft mailed to the Registered Owner hereof, as shown on the registration books of the City maintained by the Note Registrar. If at any time the Note Registrar shall be unable or unwilling to serve as such, or the Director of Finance in such officer's discretion shall determine that it would be in the best interest of the City for such functions to be performed by another party, the Director of Finance may, and is hereby authorized and directed to, enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Note Registrar hereunder. Each such successor Note Registrar shall promptly advise all noteholders of the change in identity and new address of the Note Registrar. So long as any of the Notes remain outstanding, the City shall cause to be maintained and kept by the Note Registrar, at the office of the Note Registrar, all books and records necessary for the registration, exchange and transfer of Notes as provided in this section (the "Note Register"). Subject to the provisions of this Ordinance, the person in whose name any Note shall be registered on the Note Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Note shall be made only to or upon the order of that person. Neither the City nor the Note Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Notes, including the interest thereon, to the extent of the amount or amounts so paid.

**16-06 (continued)**

Any Notes, upon presentation and surrender at the office of the Note Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Note Registrar, may be exchanged for Notes of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Notes surrendered, and bearing interest at the same rate and maturing on the same date.

A Note may be transferred only on the Note Register upon presentation and surrender thereof at the office of the Note Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Note Registrar. Upon that transfer, the Note Registrar shall complete, authenticate and deliver a new Note or Notes of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Notes surrendered, and bearing interest at the same rate and maturing on the same date.

The City and the Note Registrar shall not be required to transfer or exchange (i) any Note during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Notes, and ending at the close of business on the day of such mailing, or (ii) any Notes selected for redemption, in whole or in part, following the date of such mailing.

In all cases in which Notes are exchanged or transferred hereunder, the City shall cause to be executed, and the Note Registrar shall authenticate and deliver, the Notes in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the Council and Note Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The Council or the Note Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Notes. All Notes issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Notes surrendered upon that transfer or exchange.

**Section 11.** Book-Entry System. For purposes of this Ordinance, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Notes may be transferred only through a book-entry and (ii) physical Notes in fully registered form are issued only to a Depository or its nominee as registered owner, with the Notes "immobilized" to the custody of the Depository, and the book-entry is the record that identifies the owners of beneficial interests in those Notes.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of notes and to effect transfers of notes, in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

The Notes may initially be issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Ordinance: (i) there shall be a single Note of each maturity, (ii) those Notes shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Notes in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Notes in book-entry form shall be shown by book-entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book-entry; and (v) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City. Note service charges on Notes in book-entry form registered in the name of a Depository or its nominee shall be payable in same day funds delivered to the Depository or its authorized representative upon presentation and surrender of Notes as provided in this Ordinance.

The Note Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Note in the custody of a Depository providing for making all payments to that owner of principal and interest on that Note or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided in this Ordinance, without prior presentation or surrender of the Note, upon any conditions which shall be satisfactory to the Note Registrar and to the City. That payment in any event shall be made to the person who is the registered owner of that Note on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Note Registrar will furnish a copy of each of those agreements, certified to be correct by the Note Registrar, to other paying agents for Notes and to the City. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Ordinance.

If requested, the Mayor, Director of Finance, Clerk of Council, or any other officer of this Council, is authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the City, the letter agreement among the City, the paying agent for the Notes and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Notes to the Depository for use in a book-entry system in substantially the form submitted to this Council.

The City may decide to discontinue use of the book-entry system through the Depository. In that event, Note certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as a depository for the Notes for use in a book-entry system, the City and the Note Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Note Registrar do not or are unable to do so, the City and the Note Registrar, after the Note Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Notes from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing and delivering definitive Notes), if the event is not the result of action or inaction by the City or the Note Registrar, of those persons requesting such issuance.

**Section 12.** Income Tax Pledge. The City hereby covenants, pursuant to Section 133.05(B)(7), Ohio Revised Code, to appropriate annually from lawfully available municipal income taxes, and to continue to levy and collect municipal income taxes adequate to produce, amounts necessary to meet the debt charges on the Notes and the Bonds in each year until full payment is made.

**Section 13.** Federal Tax Law Compliance. In the event that the Notes are issued as tax-exempt notes, the City hereby covenants that it will comply with the requirements of all existing and future laws which must be satisfied in order that interest on the Notes is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Notes so that the Notes will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The City further covenants that it will restrict the use of the proceeds of the Notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

In the event that the Notes are issued as tax-exempt notes, the Director of Finance, or any other officer of the City, including the Mayor, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the City with respect to the Notes as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Director of Finance, which action shall be in writing and signed by the Director of Finance, or any other officer of the City, including the Mayor, on behalf of the City; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes; and (c) to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the City pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the City regarding compliance by the City with sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Notes sufficient to permit, to the maximum extent possible and presently foreseeable, the City to comply with any federal law or regulation now or hereafter having applicability to the Notes which limits the amount of Note proceeds which may be invested on an unrestricted yield or requires the City to rebate arbitrage profits to the United States Department of the Treasury. The Director of Finance of the City is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Notes requires any such reports or rebates.

**Section 14.** Official Statement. The distribution of an Official Statement of the City, in preliminary and final form, relating to the original issuance of the Notes is hereby authorized, and the Mayor and the Director of Finance are hereby authorized and directed to negotiate, prepare and execute, on behalf of the City and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Notes, and they are authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Notes as they deem necessary or appropriate to protect the interests of the City. The Mayor, Director of Finance and the Director of Law, are each authorized to execute and deliver, on behalf of the City and in their official capacities, such certificates in connection with the accuracy of the Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

**Section 15.** Obtaining of Rating for the Notes. The obtaining or updating of a rating or ratings on the Notes and the City is hereby authorized if the Director of Finance determines that it is necessary or advisable in connection with the original issuance of the Notes. If the Director of Finance so determines, then the Director of Finance and this Council are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

**Section 16.** Transcript of Proceedings; Execution of Additional Documents. The officer having charge of the minutes of the Council and any other officers of the Council, or any of them individually, are hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Notes and to furnish a copy of such transcript to the Original Purchaser. Such transcript shall include certified copies of all proceedings and records of the Council relating to the power and authority of the City to issue the Notes and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Clerk of Council and a no-litigation certificate of the Mayor and the Director of Finance, and such certified copies and certificates shall be deemed representations of the City as to the facts stated therein.

The Director of Finance is hereby authorized and directed to take such action and to execute and deliver, on behalf of this Council, such additional instruments, agreements, certificates, and other documents as may be in his discretion necessary or appropriate in order to carry out the intent of this Ordinance. Such documents shall be in the form not substantially inconsistent with the terms of this Ordinance, as he in his discretion shall deem necessary or appropriate.

Neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds, including the interest thereon, to the extent of the amount or amounts so paid.

Any Bond, upon presentation and surrender at the office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar, may be exchanged for Bonds of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

A Bond may be transferred only on the Bond Register upon presentation and surrender thereof at the office of the Bond Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar. Upon that transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

The City and the Bond Registrar shall not be required to transfer or exchange (i) any Bond during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Bonds, and ending at the close of business on the day of such mailing, or (ii) any Bonds selected for redemption, in whole or in part, following the date of such mailing.

In all cases in which Bonds are exchanged or transferred hereunder, the City shall cause to be executed and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Bonds. All Bonds issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Bonds surrendered upon that transfer or exchange.

**Section 9.** Book-Entry System. For purposes of this Ordinance, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Bonds may be transferred only through a book-entry and (ii) physical Bonds in fully registered form are issued only to the Depository or its nominee as registered owner, with the Bonds "immobilized" to the custody of the Depository, and the book-entry is the record that identifies the owners of beneficial interests in those Bonds.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of Bonds and to effect transfers of Bonds, in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

All or any portion of the Bonds may be initially issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Ordinance; (i) there shall be a single Bond of each maturity, (ii) those Bonds shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Bonds in book-entry form shall be shown by book-entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book-entry; and (v) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City. Bond service charges on Bonds in book-entry form registered in the name of a Depository or its nominee shall be payable in next day funds delivered to the Depository or its authorized representative (i) in the case of interest, on each Interest Payment Date, and (ii) in all other cases, upon presentation and surrender of Bonds as provided in this Ordinance.

## ORDINANCES

### 16-07 (continued)

The Bond Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Bond in the custody of a Depository providing for making all payments to that owner of principal and interest on that Bond or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided above in this Ordinance, without prior presentation or surrender of the Bond, upon any conditions which shall be satisfactory to the Bond Registrar and to the City. That payment in any event shall be made to the person who is the registered owner of that Bond on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Bond Registrar shall furnish a copy of each of those agreements, certified to be correct by the Bond Registrar, to other paying agents for Bonds and to the City. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Ordinance.

If requested, the Director of Finance and the Mayor of the City are authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the City, the letter agreement among the City, the Bond Registrar and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Bonds to the Depository for use in a book-entry system in substantially the form submitted to this Council.

The City may decide to discontinue use of the book-entry system through the Depository. In that event, Bond certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as a depository for the Bonds for use in a book-entry system, the City and the Bond Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Bond Registrar do not or are unable to do so, the City and the Bond Registrar, after the Bond Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Bonds from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing and delivering definitive Bonds), if the event is not the result of action or inaction by the City or the Bond Registrar, of those persons requesting such issuance.

**Section 10.** Debt Service Levy. There shall be and is hereby levied annually on all the taxable property in the City, in addition to all other taxes and inside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Bonds are outstanding, for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Bonds as and when the same falls due and to provide a fund for the repayment of the principal of the Bonds at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution; provided, however, that in each year to the extent that funds are available from other sources and are lawfully appropriated for the payment of the Bonds, the amount of the Debt Service Levy shall be reduced by the amount of such funds so available and appropriated.

The Debt Service Levy shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of such years are certified, extended and collected. The Debt Service Levy shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payment of the interest and principal of the Bonds when and as the same falls due.

**Section 11.** Income Tax Pledge. The City hereby covenants, pursuant to Section 133.05(B)(7), Ohio Revised Code, to appropriate annually from lawfully available municipal income taxes, and to continue to levy and collect municipal income taxes adequate to produce, amounts necessary to meet the debt charges on the Bonds in each year until full payment is made.

**Section 12.** Sale of the Bonds. The Bonds shall be sold at private sale to KeyBanc Capital Markets Inc., Columbus, Ohio (the "Original Purchaser"), at the purchase price set forth in the Certificate of Fiscal Officer, plus interest accrued to the date of delivery of the Bonds to the Original Purchaser. The Director of Finance and the Mayor of the City, or either of them individually, are authorized and directed to execute on behalf of the City a Bond Purchase Agreement with the Original Purchaser, setting forth the conditions under which the Bonds are to be sold and delivered, which Bond Purchase Agreement shall be in such form, not inconsistent with this Ordinance, as the Director of Finance shall determine.

**Section 13.** Establishment of Escrow Fund; Escrow Trustee. There is hereby created and established, as an account within the Bond Retirement Fund of the City, a trust fund to be designated "City of Hilliard, Ohio – Refunding Bonds, Series 2016 – Escrow Fund" (the "Escrow Fund") or as otherwise designated by the Director of Finance, which account may be in the custody of a bank or trust company as an escrow trustee, if desired. The proceeds from the sale of the Bonds, except the accrued interest and premium thereon (if any), shall be deposited in the Escrow Fund. Such moneys deposited in the Escrow Fund may be (i) held as cash or (ii) used to purchase direct obligations of or obligations guaranteed as to payment by the United States of America of such maturities and interest payment dates and bearing interest at such rates as will, as certified by such independent public accounting firm as shall be acceptable to the Director of Finance and the Original Purchaser without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom, be sufficient to pay the interest on, and the redemption price (including any redemption premium) of, the Refunded Bonds on the earliest optional redemption date for the Refunded Bonds. The Director of Finance is also authorized, if necessary or desirable to facilitate the refunding of the Refunded Bonds, to engage a consultant to verify the sufficiency of the cash or other obligations held in the Escrow Fund to refund the Refunded Bonds on such redemption date.

**16-07 (continued)**

Any accrued interest received from the sale of the Bonds shall be transferred to the bond retirement fund to be applied to the payment of the principal of and interest on the Bonds, or other obligations of the City, as permitted by law. Any premium received from the sale of the Bonds may be used to pay the financing costs of the Bonds within the meaning of Ohio Revised Code Section 133.01(K) or be deposited into the bond retirement fund, including the Escrow Fund contained therein, in the manner provided by law.

The Director of Finance is hereby authorized to execute on behalf of the City an Escrow Agreement (the "Escrow Agreement") with a bank or trust company to be selected by the Director of Finance (the "Escrow Trustee"), setting forth the terms by which the Escrow Fund shall be held and disbursed, if the Director of Finance determines that an Escrow Agreement is necessary or beneficial to facilitate the refunding of the Refunded Bonds. Such an Escrow Agreement shall be in such form, not inconsistent with this Ordinance, as the Director of Finance shall determine.

**Section 14.** Federal Tax Law Compliance. The City hereby covenants that it shall comply with the requirements of all existing and future laws which must be satisfied in order that interest on the Bonds is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Bonds so that the Bonds will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The City further covenants that it shall restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are issued, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

The Director of Finance, or any other officer, including the Mayor, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the City with respect to the Bonds as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Director of Finance, which action shall be in writing and signed by the Director of Finance, or any other officer, including the Mayor, on behalf of the City; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds; and (c) to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the City pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the City regarding compliance by the City with Sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Bonds sufficient to permit, to the maximum extent possible and presently foreseeable, the City to comply with any federal law or regulation now or hereafter having applicability to the Bonds which limits the amount of bond proceeds which may be invested on an unrestricted yield or requires the City to rebate arbitrage profits to the United States Department of the Treasury. The Director of Finance is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Bonds requires any such reports or rebates.

**Section 15.** Municipal Bond Insurance. The Director of Finance, or any other officer, including the Mayor, is authorized to make appropriate arrangements, if such officer deems it in the best interest of the City, for the issuance of a municipal bond insurance policy with respect to all or any portion of the Bonds, including executing and delivering a commitment therefor and certificates and other documents in connection therewith. All additional provisions required to be authorized by this Council for the issuance of a municipal bond insurance policy shall be contained in the Certificate of Fiscal Officer.

**Section 16.** Official Statement. The distribution of an Official Statement of the City, in preliminary and final form, relating to the original issuance of the Bonds is hereby authorized, and the Mayor and the Director of Finance are hereby authorized and directed to negotiate, prepare and execute, on behalf of the City and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Bonds, and they are authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Bonds as they deem necessary or appropriate to protect the interests of the City. The Mayor, Director of Finance and the Director of Law, are each authorized to execute and deliver, on behalf of the City and in their official capacities, such certificates in connection with the accuracy of the Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

**Section 17.** Obtaining of Rating for the Bonds. The obtaining or updating of a rating or ratings on the Bonds and the City is hereby authorized if the Director of Finance determines that it is necessary or advisable in connection with the original issuance of the Bonds. If the Director of Finance so determines, then the Director of Finance and this Council are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

The officer having charge of the minutes of the Council and any other officers of the Council, or any of them individually, are hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Bonds and to furnish a copy of such transcript to the Original Purchaser. Such transcript shall include certified copies of all proceedings and records of the Council relating to the power and authority of the City to issue the Bonds and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Clerk of Council and a no-litigation certificate of the Mayor and the Director of Finance, and such certified copies and certificates shall be deemed representations of the City as to the facts stated therein.

**Section 19.** Satisfaction of Conditions for Bond Issuance. It is hereby found and determined that all acts, conditions and things necessary to be done precedent to and in the issuing of the Bonds in order to make them legal, valid and binding obligations of the City have happened, been done and been performed in regular and due form as required by law; that the faith, credit and revenue of the City are hereby irrevocably pledged for the prompt payment of the principal and interest thereof at maturity; and that no limitation of indebtedness or taxation, either statutory or constitutional, has been exceeded in issuing the Bonds.

**Section 20.** Compliance with Open Meeting Requirements. It is hereby found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

**Section 21.** Filing of Bond Ordinance. The City Clerk is hereby directed to forward a certified copy of this Ordinance to the County Auditor of Franklin County, Ohio.

**Section 22.** Effective Date. This Ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health and safety of the City and its inhabitants for the reason that the Bonds can be sold as soon as possible to take advantage of favorable interest rates; wherefore this Ordinance shall take effect and be in force from and immediately after its adoption.

**Section 5.** Terms of the Notes; Certificate of Fiscal Officer Relating to Terms of Notes. Such anticipatory notes (the "Notes") shall be in the amount of not to exceed \$250,000, which sum does not exceed the amount of the Bonds. The Notes shall be dated the date established by the Director of Finance and certified to this Council and shall mature on such date as shall be determined by the Director of Finance and certified to this Council, provided that such date shall not be later than one year after the date of issuance of the Notes. The Notes shall be issued as fully registered notes in book-entry form only, in such denominations as shall be determined by the Director of Finance, but not exceeding the principal amount of Notes maturing on any one date and shall be numbered as determined by the Director of Finance. The Notes may be issued in one or more series.

The Director of Finance is authorized and directed to execute a Certificate of Fiscal Officer Relating to Terms of Notes (the "Certificate of Fiscal Officer") setting forth the final terms of the Notes, consistent with the requirements of this Ordinance, and to present the same to this Council after closing.

**Section 6.** General Obligation Pledge. The Notes shall be the full general obligation of the City, and the full faith, credit and revenue of the City are hereby pledged for the prompt payment of the same. The par value to be received from the sale of the Bonds and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used only for the retirement of the Notes at maturity and are hereby pledged for such purpose.

**Section 7.** Debt Service Levy. There shall be and is hereby levied annually on all the taxable property in the City, in addition to all other taxes and inside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Notes are outstanding, in an amount not less than that which would have been levied if the Bonds had been issued without the prior issuance of the Notes, for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Notes as and when the same falls due and to provide a fund for the repayment of the principal of the Notes at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution.

The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payments of the premium, if any, and interest on and principal of the Notes and Bonds when and as the same falls due. Notwithstanding the foregoing, if the City determines that funds will be available from other sources for the payment of the Notes and Bonds in any year, the amount of the Debt Service Levy for such year shall be reduced by the amount of funds which will be so available, and the City shall appropriate such funds to the payment of the Notes and Bonds in accordance with law.

**Section 8.** Sale of the Notes. The Notes shall bear interest, based on a 360-day year of twelve 30-day months, payable at maturity, at such rate per annum as shall be determined by the Director of Finance and certified to this Council, provided that such rate shall not exceed 5.00% per annum. **Section 9.** Form and Execution of Notes; Payment of Notes. The Notes shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Ordinance.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America without deduction for the services of the Note Registrar. The principal of and interest on the Notes shall be payable upon presentation and surrender of the Notes at their maturity at the office of the Note Registrar. No Note shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Ordinance unless and until a certificate of authentication, as printed on the Note, is signed by the Note Registrar as authenticating agent. Authentication by the Note Registrar shall be conclusive evidence that the Note so authenticated has been duly issued and delivered under this Ordinance and is entitled to the security and benefit of this Ordinance. The certificate of authentication may be signed by any officer or officers of the Note Registrar or by such other person acting as an agent of the Note Registrar as shall be approved by the Director of Finance on behalf of the City. registrar, transfer agent, and paying agent (the "Note Registrar") for the Notes. Interest shall be payable at maturity by check or draft mailed to the Registered Owner hereof, as shown on the registration books of the City maintained by the Note Registrar. If at any time the Note Registrar shall be unable or unwilling to serve as such, or the Director of Finance in such officer's discretion shall determine that it would be in the best interest of the City for such functions to be performed by another party, the Director of Finance may, and is hereby authorized and directed to, enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Note Registrar hereunder. Each such successor Note Registrar shall promptly advise all noteholders of the change in identity and new address of the Note Registrar. So long as any of the Notes remain outstanding, the City shall cause to be maintained and kept by the Note Registrar, at the office of the Note Registrar, all books and records necessary for the registration, exchange and transfer of Notes as provided in this section (the "Note Register"). Subject to the provisions of this Ordinance, the person in whose name any Note shall be registered on the Note Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Note shall be made only to or upon the order of that person. Neither the City nor the Note Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Notes, including the interest thereon, to the extent of the amount or amounts so paid.

Any Notes, upon presentation and surrender at the office of the Note Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Note Registrar, may be exchanged for Notes of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Notes surrendered, and bearing interest at the same rate and maturing on the same date.

A Note may be transferred only on the Note Register upon presentation and surrender thereof at the office of the Note Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Note Registrar. Upon that transfer, the Note Registrar shall complete, authenticate and deliver a new Note or Notes of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Notes surrendered, and bearing interest at the same rate and maturing on the same date.

The City and the Note Registrar shall not be required to transfer or exchange (i) any Note during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Notes, and ending at the close of business on the day of such mailing, or (ii) any Notes selected for redemption, in whole or in part, following the date of such mailing.

In all cases in which Notes are exchanged or transferred hereunder, the City shall cause to be executed, and the Note Registrar shall authenticate and deliver, the Notes in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the Council and Note Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The Council or the Note Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Notes. All Notes issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Notes surrendered upon that transfer or exchange.

**Section 11. Book-Entry System.** For purposes of this Ordinance, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Notes may be transferred only through a book-entry and (ii) physical Notes in fully registered form are issued only to a Depository or its nominee as registered owner, with the Notes "immobilized" to the custody of the Depository, and the book-entry is the record that identifies the owners of beneficial interests in those Notes.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of notes and to effect transfers of notes, in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

The Notes may initially be issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Ordinance: (i) there shall be a single Note of each maturity, (ii) those Notes shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Notes in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Notes in book-entry form shall be shown by book-entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book-entry; and (v) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City. Note service charges on Notes in book-entry form registered in the name of a Depository or its nominee shall be payable in same day funds delivered to the Depository or its authorized representative upon presentation and surrender of Notes as provided in this Ordinance.

The Note Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Note in the custody of a Depository providing for making all payments to that owner of principal and interest on that Note or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided in this Ordinance, without prior presentation or surrender of the Note, upon any conditions which shall be satisfactory to the Note Registrar and to the City. That payment in any event shall be made to the person

who is the registered owner of that Note on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Note Registrar will furnish a copy of each of those agreements, certified to be correct by the Note Registrar, to other paying agents for Notes and to the City. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Ordinance.

If requested, the Mayor, Director of Finance, Clerk of Council, or any other officer of this Council, is authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the City, the letter agreement among the City, the paying agent for the Notes and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Notes to the Depository for use in a book-entry system in substantially the form submitted to this Council.

The City may decide to discontinue use of the book-entry system through the Depository. In that event, Note certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as a depository for the Notes for use in a book-entry system, the City and the Note Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Note Registrar do not or are unable to do so, the City and the Note Registrar, after the Note Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Notes from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing and delivering definitive Notes), if the event is not the result of action or inaction by the City or the Note Registrar, of those persons requesting such issuance.

**Section 12.** Income Tax Pledge. The City hereby covenants, pursuant to Section 133.05(B)(7), Ohio Revised Code, to appropriate annually from lawfully available municipal income taxes, and to continue to levy and collect municipal income taxes adequate to produce, amounts necessary to meet the debt charges on the Notes and the Bonds in each year until full payment is made.

**Section 13.** Federal Tax Law Compliance. In the event that the Notes are issued as tax-exempt notes, the City hereby covenants that it will comply with the requirements of all existing and future laws which must be satisfied in order that interest on the Notes is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Notes so that the Notes will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The City further covenants that it will restrict the use of the proceeds of the Notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

In the event that the Notes are issued as tax-exempt notes, the Director of Finance, or any other officer of the City, including the Mayor, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the City with respect to the Notes as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Director of Finance, which action shall be in writing and signed by the Director of Finance, or any other officer of the City, including the Mayor, on behalf of the City; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes; and (c) to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the City pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the City regarding compliance by the City with sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Notes sufficient to permit, to the maximum extent possible and presently foreseeable, the City to comply with any federal law or regulation now or hereafter having applicability to the Notes which limits the amount of Note proceeds which may be invested on an unrestricted yield or requires the City to rebate arbitrage profits to the United States Department of the Treasury. The Director of Finance of the City is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Notes requires any such reports or rebates.

**Section 14.** Official Statement. The distribution of an Official Statement of the City, in preliminary and final form, relating to the original issuance of the Notes is hereby authorized, and the Mayor and the Director of Finance are hereby authorized and directed to negotiate, prepare and execute, on behalf of the City and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Notes, and they are authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Notes as they deem necessary or appropriate to protect the interests of the City. The Mayor, Director of Finance and the Director of Law, are each authorized to execute and deliver, on behalf of the City and in their official capacities, such certificates in connection with the accuracy of the Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

**Section 4.** Combining Notes for Purposes of Issuance and Sale. It is hereby determined, that for the purposes of issuance and sale, it is in the best interest of the City to combine the Notes with other limited tax general obligations notes of the City authorized by separate ordinance of this Council. The Notes and such other notes shall be jointly referred to herein as the "Combined Notes." As used in this Ordinance, the term "Notes" shall also mean the Combined Notes, where appropriate. The Combined Notes shall be designated "City of Hilliard, Ohio Various Purpose Notes, Series 2016," or as otherwise determined by the Director of Finance.

**Section 5.** Terms of the Notes; Certificate of Fiscal Officer Relating to Terms of Notes. Such anticipatory notes (the "Notes") shall be in the amount of not to exceed \$1,050,000, which sum does not exceed the amount of the Bonds. The Notes shall be dated the date established by the Director of Finance and certified to this Council and shall mature on such date as shall be determined by the Director of Finance and certified to this Council, provided that such date shall not be later than one year after the date of issuance of the Notes. The Notes shall be issued as fully registered notes in book-entry form only, in such denominations as shall be determined by the Director of Finance, but not exceeding the principal amount of Notes maturing on any one date and shall be numbered as determined by the Director of Finance. The Notes may be issued in one or more series.

The Director of Finance is authorized and directed to execute a Certificate of Fiscal Officer Relating to Terms of Notes (the "Certificate of Fiscal Officer") setting forth the final terms of the Notes, consistent with the requirements of this Ordinance, and to present the same to this Council after closing.

**Section 6.** General Obligation Pledge. The Notes shall be the full general obligation of the City, and the full faith, credit and revenue of the City are hereby pledged for the prompt payment of the same. The par value to be received from the sale of the Bonds and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used only for the retirement of the Notes at maturity and are hereby pledged for such purpose.

**Section 7.** Debt Service Levy. There shall be and is hereby levied annually on all the taxable property in the City, in addition to all other taxes and inside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Notes are outstanding, in an amount not less than that which would have been levied if the Bonds had been issued without the prior issuance of the Notes, for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Notes as and when the same falls due and to provide a fund for the repayment of the principal of the Notes at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution.

The Debt Service Levy shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of such years are certified, extended and collected. The Debt Service Levy shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payments of the premium, if any, and interest on and principal of the Notes and Bonds when and as the same falls due. Notwithstanding the foregoing, if the City determines that funds will be available from other sources for the payment of the Notes and Bonds in any year, the amount of the Debt Service Levy for such year shall be reduced by the amount of funds which will be so available, and the City shall appropriate such funds to the payment of the Notes and Bonds in accordance with law.

**Section 8.** Sale of the Notes. The Notes shall bear interest, based on a 360-day year of twelve 30-day months, payable at maturity, at such rate per annum as shall be determined by the Director of Finance and certified to this Council, provided that such rate shall not exceed 5.00% per annum. The Notes shall be, and hereby are, awarded and sold at private sale to KeyBanc Capital Markets Inc., Columbus, Ohio (the "Original Purchaser"), at the purchase price set forth in the Certificate of Fiscal Officer.

The Director of Finance is hereby authorized and directed to deliver the Notes, when executed, to the Original Purchaser upon payment of the purchase price and accrued interest, if any, to the date of delivery. The proceeds of such sale, except any accrued interest or premium thereon, shall be deposited in the Treasury of the City and used for the purpose aforesaid and for no other purpose. The accrued interest received from such sale shall be transferred to the City's Bond Retirement Fund to be applied to the payment of the principal of and interest on the Notes, or other obligations of the City, as permitted by law. Any premium received from the sale of the Notes may be used to pay the financing costs of the Notes within the meaning of Ohio Revised Code Section 133.01(K) or be deposited into the City's Bond Retirement Fund, in the manner provided by law.

**Section 9.** Form and Execution of Notes; Payment of Notes. The Notes shall be executed by the Director of Finance and the Mayor, provided that any and all of such signatures may be a facsimile, may be issued as tax-exempt or taxable notes, as determined by the Director of Finance, and shall be payable as to both principal and interest at the office of Note Registrar (as defined hereinbelow). The Notes shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Ordinance.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America without deduction for the services of the Note Registrar. The principal of and interest on the Notes shall be payable upon presentation and surrender of the Notes at their maturity at the office of the Note Registrar. on the Note, is signed by the Note Registrar as authenticating agent. Authentication by the Note Registrar shall be conclusive evidence that the Note so authenticated has been duly issued and delivered under this Ordinance and is entitled to the security and benefit of this Ordinance. The certificate of authentication may be signed by any officer or officers of the Note Registrar or by such other person acting as an agent of the Note Registrar as shall be approved by the Director of Finance on behalf of the City. It shall not be necessary that the same authorized person sign the certificate of authentication on all of the Notes.

**Section 10.** Appointment of Note Registrar. The Director of Finance is authorized and directed to execute on behalf of the City a Note Registrar Agreement with such bank or other appropriate financial institution as shall be acceptable to the Director of Finance and the Original Purchaser, pursuant to which such bank or financial institution shall agree to serve as authenticating agent, note registrar, transfer agent, and paying agent (the "Note Registrar") for the Notes. Interest shall be payable at maturity by check or draft mailed to the Registered Owner hereof, as shown on the registration books of the City maintained by the Note Registrar. If at any time the Note Registrar shall be unable or unwilling to serve as such, or the Director of Finance in such officer's discretion shall determine that it would be in the best interest of the City for such functions to be performed by another party, the Director of Finance may, and is hereby authorized and directed to, enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Note Registrar hereunder. Each such successor Note Registrar shall promptly advise all noteholders of the change in identity and new address of the Note Registrar. So long as any of the Notes remain outstanding, the City shall cause to be maintained and kept by the Note Registrar, at the office of the Note Registrar, all books and records necessary for the registration, exchange and transfer of Notes as provided in this section (the "Note Register"). Subject to the provisions of this Ordinance, the person in whose name any Note shall be registered on the Note Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Note shall be made only to or upon the order of that person. Neither the City nor the Note Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Notes, including the interest thereon, to the extent of the amount or amounts so paid.

Any Notes, upon presentation and surrender at the office of the Note Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Note Registrar, may be exchanged for Notes of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Notes surrendered, and bearing interest at the same rate and maturing on the same date.

A Note may be transferred only on the Note Register upon presentation and surrender thereof at the office of the Note Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Note Registrar. Upon that transfer, the Note Registrar shall complete, authenticate and deliver a new Note or Notes of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Notes surrendered, and bearing interest at the same rate and maturing on the same date.

The City and the Note Registrar shall not be required to transfer or exchange (i) any Note during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Notes, and ending at the close of business on the day of such mailing, or (ii) any Notes selected for redemption, in whole or in part, following the date of such mailing.

In all cases in which Notes are exchanged or transferred hereunder, the City shall cause to be executed, and the Note Registrar shall authenticate and deliver, the Notes in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the Council and Note Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The Council or the Note Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Notes. All Notes issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Notes surrendered upon that transfer or exchange.

**Section 11.** Book-Entry System. For purposes of this Ordinance, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Notes may be transferred only through a book-entry and (ii) physical Notes in fully registered form are issued only to a Depository or its nominee as registered owner, with the Notes "immobilized" to the custody of the Depository, and the book-entry is the record that identifies the owners of beneficial interests in those Notes.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of notes and to effect transfers of notes, in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

The Notes may initially be issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Ordinance: (i) there shall be a single Note of each maturity, (ii) those Notes shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Notes in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Notes in book-entry form shall be shown by book-entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book-

entry; and (v) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City. Note service charges on Notes in book-entry form registered in the name of a Depository or its nominee shall be payable in same day funds delivered to the Depository or its authorized representative upon presentation and surrender of Notes as provided in this Ordinance.

The Note Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Note in the custody of a Depository providing for making all payments to that owner of principal and interest on that Note or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided in this Ordinance, without prior presentation or surrender of the Note, upon any conditions which shall be satisfactory to the Note Registrar and to the City. That payment in any event shall be made to the person who is the registered owner of that Note on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Note Registrar will furnish a copy of each of those agreements, certified to be correct by the Note Registrar, to other paying agents for Notes and to the City. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Ordinance.

If requested, the Mayor, Director of Finance, Clerk of Council, or any other officer of this Council, is authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the City, the letter agreement among the City, the paying agent for the Notes and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Notes to the Depository for use in a book-entry system in substantially the form submitted to this Council.

The City may decide to discontinue use of the book-entry system through the Depository. In that event, Note certificates will be printed and delivered to the Depository.

If any Depository determines to act as a depository for the Notes for use in a book-entry system, the City and the Note Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Note Registrar do not or are unable to do so, the City and the Note Registrar, after the Note Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Notes from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing and delivering definitive Notes), if the event is not the result of action or inaction by the City or the Note Registrar, of those persons requesting such issuance.

**Section 12.** Income Tax Pledge. The City hereby covenants, pursuant to Section 133.05(B)(7), Ohio Revised Code, to appropriate annually from lawfully available municipal income taxes, and to continue to levy and collect municipal income taxes adequate to produce, amounts necessary to meet the debt charges on the Notes and the Bonds in each year until full payment is made.

**Section 13.** Federal Tax Law Compliance. The City further covenants that it will restrict the use of the proceeds of the Notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

In the event that the Notes are issued as tax-exempt notes, the Director of Finance, or any other officer of the City, including the Mayor, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the City with respect to the Notes as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Director of Finance, which action shall be in writing and signed by the Director of Finance, or any other officer of the City, including the Mayor, on behalf of the City; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes; and (c) to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the City pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the City regarding compliance by the City with sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Notes sufficient to permit, to the maximum extent possible and presently foreseeable, the City to comply with any federal law or regulation now or hereafter having applicability to the Notes which limits the amount of Note proceeds which may be invested on an unrestricted yield or requires the City to rebate arbitrage profits to the United States Department of the Treasury. The Director of Finance of the City is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Notes requires any such reports or rebates.

The Bonds shall be dated prior to the maturity date of the Notes (as defined herein below), shall bear interest at the maximum average annual interest rate presently estimated to be 4.50% per annum, payable semiannually until the principal sum is paid, and shall mature in 20 annual installments.

**Section 3.** Issuance of Bond Anticipation Notes. It is necessary to issue, and this Council hereby determines that there shall be issued, notes in anticipation of the issuance of the Bonds.

**Section 4.** Combining Notes for Purposes of Issuance and Sale. It is hereby determined, that for the purposes of issuance and sale, it is in the best interest of the City to combine the Notes with other limited tax general obligations notes of the City authorized by separate ordinance of this Council. The Notes and such other notes shall be jointly referred to herein as the "Combined Notes." As used in this Ordinance, the term "Notes" shall also mean the Combined Notes, where appropriate. The Combined Notes shall be designated "City of Hilliard, Ohio Various Purpose Notes, Series 2016," or as otherwise determined by the Director of Finance.

**Section 5.** Terms of the Notes; Certificate of Fiscal Officer Relating to Terms of Notes. Such anticipatory notes (the "Notes") shall be in the amount of not to exceed \$175,000, which sum does not exceed the amount of the Bonds. The Notes shall be dated the date established by the Director of Finance and certified to this Council and shall mature on such date as shall be determined by the Director of Finance and certified to this Council, provided that such date shall not be later than one year after the date of issuance of the Notes. The Notes shall be issued as fully registered notes in book-entry form only, in such denominations as shall be determined by the Director of Finance, but not exceeding the principal amount of Notes maturing on any one date and shall be numbered as determined by the Director of Finance. The Notes may be issued in one or more series.

The Director of Finance is authorized and directed to execute a Certificate of Fiscal Officer Relating to Terms of Notes (the "Certificate of Fiscal Officer") setting forth the final terms of the Notes, consistent with the requirements of this Ordinance, and to present the same to this Council after closing.

**Section 6.** General Obligation Pledge. The Notes shall be the full general obligation of the City, and the full faith, credit and revenue of the City are hereby pledged for the prompt payment of the same. The par value to be received from the sale of the Bonds and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used only for the retirement of the Notes at maturity and are hereby pledged for such purpose.

**Section 7.** Debt Service Levy. There shall be and is hereby levied annually on all the taxable property in the City, in addition to all other taxes and inside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Notes are outstanding, in an amount not less than that which would have been levied if the Bonds had been issued without the prior issuance of the Notes, for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Notes as and when the same falls due and to provide a fund for the repayment of the principal of the Notes at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution.

The Debt Service Levy shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of such years are certified, extended and collected. The Debt Service Levy shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payments of the premium, if any, and interest on and principal of the Notes and Bonds when and as the same falls due. Notwithstanding the foregoing, if the City determines that funds will be available from other sources for the payment of the Notes and Bonds in any year, the amount of the Debt Service Levy for such year shall be reduced by the amount of funds which will be so available, and the City shall appropriate such funds to the payment of the Notes and Bonds in accordance with law.

**Section 8.** Sale of the Notes. The Notes shall bear interest, based on a 360-day year of twelve 30-day months, payable at maturity, at such rate per annum as shall be determined by the Director of Finance and certified to this Council, provided that such rate shall not exceed 5.00% per annum. The Notes shall be, and hereby are, awarded and sold at private sale to KeyBanc Capital Markets Inc., Columbus, Ohio (the "Original Purchaser"), at the purchase price set forth in the Certificate of Fiscal Officer.

The Director of Finance is hereby authorized and directed to deliver the Notes, when executed, to the Original Purchaser upon payment of the purchase price and accrued interest, if any, to the date of delivery. The proceeds of such sale, except any accrued interest or premium thereon, shall be deposited in the Treasury of the City and used for the purpose aforesaid and for no other purpose. The accrued interest received from such sale shall be transferred to the City's Bond Retirement Fund to be applied to the payment of the principal of and interest on the Notes, or other obligations of the City, as permitted by law. Any premium received from the sale of the Notes may be used to pay the financing costs of the Notes within the meaning of Ohio Revised Code Section 133.01(K) or be deposited into the City's Bond Retirement Fund, in the manner provided by law.

**Section 9.** Form and Execution of Notes; Payment of Notes. The Notes shall be executed by the Director of Finance and the Mayor, provided that any and all of such signatures may be a facsimile, may be issued as tax-exempt or taxable notes, as determined by the Director of Finance, and shall be payable as to both principal and interest at the office of Note Registrar (as defined hereinbelow). The principal of and interest on the Notes shall be payable in lawful money of the United States of America without deduction for the services of the Note Registrar. The principal of and interest on the Notes shall be payable upon presentation and surrender of the Notes at their maturity at the office of the Note Registrar. No Note shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Ordinance unless and until a certificate of authentication, as printed on the Note, is signed by the Note Registrar as authenticating agent. Authentication by the Note Registrar shall be conclusive evidence that the Note so authenticated has been duly issued and delivered under this Ordinance and is entitled to the security and benefit of this Ordinance. The certificate of authentication may be signed by any officer or officers of the Note Registrar or by such other person acting as an agent of the Note Registrar as shall be approved by the Director of Finance on behalf of the City. It shall not be necessary that the same authorized person sign the certificate of authentication on all of the Notes.

**Section 10.** Appointment of Note Registrar. The Director of Finance is authorized and directed to execute on behalf of the City a Note Registrar Agreement with such bank or other appropriate financial institution as shall be acceptable to the Director of Finance and the Original Purchaser, pursuant to which such bank or financial institution shall agree to serve as authenticating agent, note registrar, transfer agent, and paying agent (the "Note Registrar") for the Notes. Interest shall be payable at maturity by check or draft mailed to the Registered Owner hereof, as shown on the registration books of the City maintained by the Note Registrar. If at any time the Note Registrar shall be unable or unwilling to serve as such, or the Director of Finance in such officer's discretion shall determine that it would be in the best interest of the City for such functions to be performed by another party, the Director of Finance may, and is hereby authorized and directed to, enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Note Registrar hereunder. Each such successor Note Registrar shall promptly advise all noteholders of the change in identity and new address of the Note Registrar. So long as any of the Notes remain outstanding, the City shall cause to be maintained and kept by the Note Registrar, at the office of the Note Registrar, all books and records necessary for the registration, exchange and transfer of Notes as provided in this section (the "Note Register"). Subject to the provisions of this Ordinance, the person in whose name any Note shall be registered on the Note Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Note shall be made only to or upon the order of that person. Neither the City nor the Note Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Notes, including the interest thereon, to the extent of the amount or amounts so paid.

Any Notes, upon presentation and surrender at the office of the Note Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Note Registrar, may be exchanged for Notes of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Notes surrendered, and bearing interest at the same rate and maturing on the same date.

A Note may be transferred only on the Note Register upon presentation and surrender thereof at the office of the Note Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Note Registrar. Upon that transfer, the Note Registrar shall complete, authenticate and deliver a new Note or Notes of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Notes surrendered, and bearing interest at the same rate and maturing on the same date.

The City and the Note Registrar shall not be required to transfer or exchange (i) any Note during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Notes, and ending at the close of business on the day of such mailing, or (ii) any Notes selected for redemption, in whole or in part, following the date of such mailing.

In all cases in which Notes are exchanged or transferred hereunder, the City shall cause to be executed, and the Note Registrar shall authenticate and deliver, the Notes in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the Council and Note Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The Council or the Note Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Notes. All Notes issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Notes surrendered upon that transfer or exchange.

**Section 11.** Book-Entry System. For purposes of this Ordinance, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Notes may be transferred only through a book-entry and (ii) physical Notes in fully registered form are issued only to a Depository or its nominee as registered owner, with the Notes "immobilized" to the custody of the Depository, and the book-entry is the record that identifies the owners of beneficial interests in those Notes.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of notes and to effect transfers of notes, in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

The Notes may initially be issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Ordinance: (i) there shall be a single Note of each maturity, (ii) those Notes shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii)

the beneficial owners in book-entry form shall have no right to receive Notes in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Notes in book-entry form shall be shown by book-entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book-entry; and (v) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City. Note service charges on Notes in book-entry form registered in the name of a Depository or its nominee shall be payable in same day funds delivered to the Depository or its authorized representative upon presentation and surrender of Notes as provided in this Ordinance.

The Note Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Note in the custody of a Depository providing for making all payments to that owner of principal and interest on that Note or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided in this Ordinance, without prior presentation or surrender of the Note, upon any conditions which shall be satisfactory to the Note Registrar and to the City. That payment in any event shall be made to the person who is the registered owner of that Note on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Note Registrar will furnish a copy of each of those agreements, certified to be correct by the Note Registrar, to other paying agents for Notes and to the City. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Ordinance.

If requested, the Mayor, Director of Finance, Clerk of Council, or any other officer of this Council, is authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the City, the letter agreement among the City, the paying agent for the Notes and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Notes to the Depository for use in a book-entry system in substantially the form submitted to this Council.

The City may decide to discontinue use of the book-entry system through the Depository. In that event, Note certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as a depository for the Notes for use in a book-entry system, the City and the Note Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Note Registrar do not or are unable to do so, the City and the Note Registrar, after the Note Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Notes from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing and delivering definitive Notes), if the event is not the result of action or inaction by the City or the Note Registrar, of those persons requesting such issuance.

**Section 12.** Income Tax Pledge. The City hereby covenants, pursuant to Section 133.05(B)(7), Ohio Revised Code, to appropriate annually from lawfully available municipal income taxes, and to continue to levy and collect municipal income taxes adequate to produce, amounts necessary to meet the debt charges on the Notes and the Bonds in each year until full payment is made.

**Section 13.** Federal Tax Law Compliance. In the event that the Notes are issued as tax-exempt notes, the City hereby covenants that it will comply with the requirements of all existing and future laws which must be satisfied in order that interest on the Notes is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Notes so that the Notes will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The City further covenants that it will restrict the use of the proceeds of the Notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

In the event that the Notes are issued as tax-exempt notes, the Director of Finance, or any other officer of the City, including the Mayor, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the City with respect to the Notes as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Director of Finance, which action shall be in writing and signed by the Director of Finance, or any other officer of the City, including the Mayor, on behalf of the City; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes; and (c) to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the City pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the City regarding compliance by the City with sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Notes sufficient to permit, to the maximum extent possible and presently foreseeable, the City to comply with any federal law or regulation

The Director of Finance of the City is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Notes requires any such reports or rebates.

**Section 14.** Official Statement. The distribution of an Official Statement of the City, in preliminary and final form, relating to the original issuance of the Notes is hereby authorized, and the Mayor and the Director of Finance are hereby authorized and directed to negotiate, prepare and execute, on behalf of the City and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Notes, and they are authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Notes as they deem necessary or appropriate to protect the interests of the City. The Mayor, Director of Finance and the Director of Law, are each authorized to execute and deliver, on behalf of the City and in their official capacities, such certificates in connection with the accuracy of the Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

**Section 15.** Obtaining of Rating for the Notes. The obtaining or updating of a rating or ratings on the Notes and the City is hereby authorized if the Director of Finance determines that it is necessary or advisable in connection with the original issuance of the Notes. If the Director of Finance so determines, then the Director of Finance and this Council are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

**Section 16.** Transcript of Proceedings; Execution of Additional Documents. The officer having charge of the minutes of the Council and any other officers of the Council, or any of them individually, are hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Notes and to furnish a copy of such transcript to the Original Purchaser. Such transcript shall include certified copies of all proceedings and records of the Council relating to the power and authority of the City to issue the Notes and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Clerk of Council and a no-litigation certificate of the Mayor and the Director of Finance, and such certified copies and certificates shall be deemed representations of the City as to the facts stated therein.

The Director of Finance is hereby authorized and directed to take such action and to execute and deliver, on behalf of this Council, such additional instruments, agreements, certificates, and other documents as may be in his discretion necessary or appropriate in order to carry out the intent of this Ordinance. Such documents shall be in the form not substantially inconsistent with the terms of this Ordinance, as he in his discretion shall deem necessary or appropriate.

**Section 17.** Satisfaction of Conditions for Note Issuance. It is hereby determined that all acts, conditions and things necessary to be done precedent to and in the issuing of the Notes in order to make them legal, valid and binding obligations of the City have happened, been done and been performed in regular and due form as required by law; that the full faith, credit and revenue of the City are hereby irrevocably pledged for the prompt payment of the principal and interest thereof at maturity; and that no limitation of indebtedness or taxation, either statutory or constitutional, has been exceeded in issuing the Notes.

**Section 18.** Compliance with Open Meeting Requirements. It is hereby found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

**Section 19.** Filing of Bond Ordinance. The Clerk of Council is hereby directed to forward a certified copy of this Ordinance to the Auditor of Franklin County, Ohio.

**Section 20.** Effective Date. This Ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health and safety of the City and its inhabitants for the reason that this Ordinance must be immediately effective so that the Notes can be sold as soon as possible to take advantage of favorable interest rates; wherefore this Ordinance shall take effect and be in force from and immediately after its adoption.

In all cases in which Notes are exchanged or transferred hereunder, the City shall cause to be executed, and the Note Registrar shall authenticate and deliver, the Notes in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the Council and Note Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The Council or the Note Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Notes. All Notes issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Notes surrendered upon that transfer or exchange.

**Section 11.** Book-Entry System. For purposes of this Ordinance, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Notes may be transferred only through a book-entry and (ii) physical Notes in fully registered form are issued only to a Depository or its nominee as registered owner, with the Notes "immobilized" to the custody of the Depository, and the book-entry is the record that identifies the owners of beneficial interests in those Notes.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of notes and to effect transfers of notes, in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

**16-11 (continued)**

The Notes may initially be issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Ordinance: (i) there shall be a single Note of each maturity, (ii) those Notes shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Notes in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Notes in book-entry form shall be shown by book-entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book-entry; and (v) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City. Note service charges on Notes in book-entry form registered in the name of a Depository or its nominee shall be payable in same day funds delivered to the Depository or its authorized representative upon presentation and surrender of Notes as provided in this Ordinance.

The Note Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Note in the custody of a Depository providing for making all payments to that owner of principal and interest on that Note or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided in this Ordinance, without prior presentation or surrender of the Note, upon any conditions which shall be satisfactory to the Note Registrar and to the City. That payment in any event shall be made to the person who is the registered owner of that Note on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Note Registrar will furnish a copy of each of those agreements, certified to be correct by the Note Registrar, to other paying agents for Notes and to the City. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Ordinance.

If requested, the Mayor, Director of Finance, Clerk of Council, or any other officer of this Council, is authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the City, the letter agreement among the City, the paying agent for the Notes and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Notes to the Depository for use in a book-entry system in substantially the form submitted to this Council.

The City may decide to discontinue use of the book-entry system through the Depository. In that event, Note certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as a depository for the Notes for use in a book-entry system, the City and the Note Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Note Registrar do not or are unable to do so, the City and the Note Registrar, after the Note Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Notes from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing and delivering definitive Notes), if the event is not the result of action or inaction by the City or the Note Registrar, of those persons requesting such issuance.

**Section 12.** Income Tax Pledge. The City hereby covenants, pursuant to Section 133.05(B)(7), Ohio Revised Code, to appropriate annually from lawfully available municipal income taxes, and to continue to levy and collect municipal income taxes adequate to produce, amounts necessary to meet the debt charges on the Notes and the Bonds in each year until full payment is made.

**Section 13.** Federal Tax Law Compliance. In the event that the Notes are issued as tax-exempt notes, the City hereby covenants that it will comply with the requirements of all existing and future laws which must be satisfied in order that interest on the Notes is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Notes so that the Notes will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The City further covenants that it will restrict the use of the proceeds of the Notes in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

In the event that the Notes are issued as tax-exempt notes, the Director of Finance, or any other officer of the City, including the Mayor, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the City with respect to the Notes as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Director of Finance, which action shall be in writing and signed by the Director of Finance, or any other officer of the City, including the Mayor, on behalf of the City; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes; and (c) to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the City pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the City regarding compliance by the City with sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Notes sufficient to permit, to the maximum extent possible and presently foreseeable, the City to comply with any federal law or regulation now or hereafter having applicability to the Notes which limits the amount of Note proceeds which may be invested on an unrestricted yield or requires the City to rebate arbitrage profits to the United States Department of the Treasury. The Director of Finance of the City is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Notes requires any such reports or rebates.

**Section 14.** Official Statement. The distribution of an Official Statement of the City, in preliminary and final form, relating to the original issuance of the Notes is hereby authorized, and the Mayor and the Director of Finance are hereby authorized and directed to negotiate, prepare and execute, on behalf of the City and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Notes, and they are authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Notes as they deem necessary or appropriate to protect the interests of the City. The Mayor, Director of Finance and the Director of Law, are each authorized to execute and deliver, on behalf of the City and in their official capacities, such certificates in connection with the accuracy of the Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

**Section 15.** Obtaining of Rating for the Notes. The obtaining or updating of a rating or ratings on the Notes and the City is hereby authorized if the Director of Finance determines that it is necessary or advisable in connection with the original issuance of the Notes. If the Director of Finance so determines, then the Director of Finance and this Council are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

**Section 16.** Transcript of Proceedings; Execution of Additional Documents. The officer having charge of the minutes of the Council and any other officers of the Council, or any of them individually, are hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Notes and to furnish a copy of such transcript to the Original Purchaser. Such transcript shall include certified copies of all proceedings and records of the Council relating to the power and authority of the City to issue the Notes and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Clerk of Council and a no-litigation certificate of the Mayor and the Director of Finance, and such certified copies and certificates shall be deemed representations of the City as to the facts stated therein.

The Director of Finance is hereby authorized and directed to take such action and to execute and deliver, on behalf of this Council, such additional instruments, agreements, certificates, and other documents as may be in his discretion necessary or appropriate in order to carry out the intent of this Ordinance. Such documents shall be in the form not substantially inconsistent with the terms of this Ordinance, as he in his discretion shall deem necessary or appropriate.

**Section 17.** Satisfaction of Conditions for Note Issuance. It is hereby determined that all acts, conditions and things necessary to be done precedent to and in the issuing of the Notes in order to make them legal, valid and binding obligations of the City have happened, been done and been performed in regular and due form as required by law; that the full faith, credit and revenue of the City are hereby irrevocably pledged for the prompt payment of the principal and interest thereof at maturity; and that no limitation of indebtedness or taxation, either statutory or constitutional, has been exceeded in issuing the Notes.

**Section 18.** Compliance with Open Meeting Requirements. It is hereby found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

**Section 19.** Filing of Bond Ordinance. The Clerk of Council is hereby directed to forward a certified copy of this Ordinance to the Auditor of Franklin County, Ohio.

**Section 20.** Effective Date. This Ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health and safety of the City and its inhabitants for the reason that this Ordinance must be immediately effective so that the Notes can be sold as soon as possible to take advantage of favorable interest rates; wherefore this Ordinance shall take effect and be in force from and immediately after its adoption.

**16-12 (continued)**

**WHEREAS**, the Director of Finance (the "Director of Finance") of the City of Hilliard (the "City") has certified to this Council that the estimated life of the improvement stated in the title of this ordinance (the "Project") which is to be constructed from the proceeds of the bonds herein described exceeds five years and the maximum maturity of said bonds is 30 years; and

**WHEREAS**, it is now deemed necessary to issue and sell not to exceed \$1,050,000 of such bonds under authority of the general laws of the State of Ohio, including Chapter 133, Ohio Revised Code, and in particular Section 133.23 thereof, and the Charter of the City, for the purpose stated in the title of this ordinance.

**NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF HILLIARD, OHIO:**

**Section 1.** Issuance of the Bonds. It is hereby declared necessary to issue bonds of the City in the principal sum of not to exceed \$1,050,000, or such lesser amount as shall be determined by the Director of Finance and certified to this Council, which bonds shall be designated "City of Hilliard, Ohio Various Purpose Bonds, Series 2016," or as otherwise determined by the Director of Finance (the "Bonds"), for the purpose described in the title of this Ordinance. The Bonds may be issued in one or more series.

**Section 2.** Combining Bonds for Purposes of Issuance and Sale. It is hereby determined, that for the purposes of issuance and sale, it may be in the best interest of the City to combine the Bonds with other limited tax general obligation bonds of the City authorized by separate ordinance of this Council. The Bonds and such other bonds shall be jointly referred to herein as the "Combined Bonds." As used in this Ordinance, the term "Bonds" shall also mean the Combined Bonds, where appropriate.

**Section 3.** Terms of the Bonds. The Bonds shall be issued as fully registered bonds in book-entry form only, in denominations of \$5,000 or any integral multiple thereof; shall be numbered consecutively from R-1 upward, as determined by the Director of Finance; shall be dated the date determined by the Director of Finance and set forth in the Certificate of Fiscal Officer provided for hereinbelow; and shall bear interest, payable semiannually on such dates as shall be determined by the Director of Finance and set forth in the Certificate of Fiscal Officer, until the principal sum is paid or provision has been duly made therefor. Interest shall be calculated on the basis of a 360-day year of twelve 30-day months.

**Section 4.** Certificate of Fiscal Officer Relating to Terms of Bonds. The Director of Finance is hereby authorized and directed to execute of behalf of the City a Certificate of Fiscal Officer Relating to Terms of Bonds (the "Certificate of Fiscal Officer") setting forth the aggregate principal amount and the final terms of the Bonds, which aggregate principal amount and terms, subject to the limitations set forth in this Ordinance, shall be as determined by the Director of Finance. The Certificate of Fiscal Officer shall indicate the dated date for the Bonds, the dates on which interest on the Bonds is to be paid (the "Interest Payment Date"), the purchase price for the Bonds (which shall be not less than 97% of the face value thereof), the maturity schedule for the Bonds, the interest rates for the Bonds (provided that the true interest cost for all Bonds in the aggregate shall not exceed 5.00% per annum, the optional and mandatory redemption provisions, if any, and such other terms not inconsistent with this Ordinance as the Director of Finance shall deem appropriate.

**Section 5.** Redemption Provisions of the Bonds. The Bonds shall be subject to optional and mandatory redemption prior to stated maturity, as provided in the Certificate of Fiscal Officer. If optional redemption of the Bonds at a redemption price exceeding 100% is to take place on any date on which a mandatory redemption of the Bonds of the same maturity will take place, the Bonds to be redeemed by optional redemption shall be selected by the Bond Registrar (as defined hereinbelow) prior to the selection of the Bonds to be redeemed at par on the same date.

When partial redemption is authorized, the Bond Registrar shall select Bonds or portions thereof by lot within a maturity in such manner as the Bond Registrar may determine, provided, however, that the portion of any Bond so selected will be in the amount of \$5,000 or any integral multiple thereof.

The notice of the call for redemption of Bonds shall identify (i) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (ii) the redemption price to be paid, (iii) the date fixed for redemption, and (iv) the place or places where the amounts due upon redemption are payable. From and after the specified redemption date interest on the Bonds (or portions thereof) called for redemption shall cease to accrue. Such notice shall be sent by first class mail at least 30 days prior to the redemption date to each registered holder of Bonds to be redeemed at the address shown in the Bond Register (as defined hereinbelow) on the 15th day preceding the date of mailing. Failure to receive such notice of any defect therein shall not affect the validity of the proceedings for the redemption of any Bond.

**Section 6.** Form and Execution of the Bonds. The Bonds shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Ordinance; and shall be executed by the Director of Finance and the Mayor of the City (the "Mayor"), in their official capacities, provided that either or both of their signatures may be a facsimile. No Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Ordinance unless and until a certificate of authentication, as printed on the Bond, is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued and delivered under this Ordinance and is entitled to the security and benefit of this Ordinance. The certificate of authentication may be signed by any officer or officers of the Bond Registrar or by such other person acting as an agent of the Bond Registrar as shall be approved by the Director of Finance on behalf of the City. It shall not be necessary that the same authorized person sign the certificate of authentication on all of the Bonds.

**ORDINANCES**

**16-12 (continued)**

**Section 7.** Payment of the Bonds. The principal of and interest on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. The principal of the Bonds shall be payable upon presentation and surrender of the Bonds at the principal office of the Bond Registrar. Each Bond shall bear interest from the later of the date thereof, or the most recent Interest Payment Date to which interest has been paid or duly provided for, unless the date of authentication of any Bond is less than 15 days prior to an Interest Payment Date, in which case interest shall accrue from such Interest Payment Date. Interest on any Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered, at the close of business on the 15th day next preceding that Interest Payment Date (the "Record Date") (unless such date falls on a non business day, in which case the Record Date shall be the preceding business day), on the Bond Register at the address appearing therein.

Any interest on any Bond which is payable, but is not punctually paid or provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Record Date by virtue of having been such owner and such Defaulted Interest shall be paid to the registered owner in whose name the Bond is registered at the close of business on a date (the "Special Record Date") to be fixed by the Bond Registrar, such Special Record Date to be not more than 15 nor less than 10 days prior to the date of proposed payment. The Bond Registrar shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Bondholder, at such Bondholder's address as it appears in the Bond Register, not less than 10 days prior to such Special Record Date, and may, in its discretion, cause a similar notice to be published once in a newspaper in each place where Bonds are payable, but such publication shall not be a condition precedent to the establishment of such Special Record Date.

Subject to the foregoing provisions of this Section, each Bond delivered by the Bond Registrar upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

**Section 8.** Appointment of Bond Registrar. The Director of Finance is hereby authorized and directed to serve as authenticating agent, bond registrar, transfer agent, and paying agent for the Bonds (the "Bond Registrar") or to execute on behalf of the Council a Bond Registrar Agreement with such bank or other appropriate financial institution as shall be acceptable to the Director of Finance and the Original Purchaser, pursuant to which such bank or financial institution shall agree to serve as the Bond Registrar for the Bonds. If at any time the Bond Registrar shall be unable or unwilling to serve as such, or the Director of Finance in such officer's discretion shall determine that it would be in the best interest of the City for such functions to be performed by another party, the Director of Finance may, and is hereby authorized and directed to enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Bond Registrar hereunder. Each such successor Bond Registrar shall promptly advise all bondholders of the change in identity and new address of the Bond Registrar. So long as any of the Bonds remain outstanding, the City shall cause to be maintained and kept by the Bond Registrar, at the office of the Bond Registrar, all books and records necessary for the registration, exchange and transfer of Bonds as provided in this Section (the "Bond Register"). Subject to the provisions of hereinabove, the person in whose name any Bond shall be registered on the Bond Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of that person. Neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds, including the interest thereon, to the extent of the amount or amounts so paid.

Any Bond, upon presentation and surrender at the office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar, may be exchanged for Bonds of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

A Bond may be transferred only on the Bond Register upon presentation and surrender thereof at the office of the Bond Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar. Upon that transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

The City and the Bond Registrar shall not be required to transfer or exchange (i) any Bond during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Bonds, and ending at the close of business on the day of such mailing, or (ii) any Bonds selected for redemption, in whole or in part, following the date of such mailing.

In all cases in which Bonds are exchanged or transferred hereunder, the City shall cause to be executed and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Bonds. All Bonds issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Bonds surrendered upon that transfer or exchange.

**Section 9.** Book-Entry System. For purposes of this Ordinance, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Bonds may be transferred only through a book-entry and (ii) physical Bonds in fully registered form are issued only to the Depository or its nominee as registered owner, with the Bonds "immobilized" to the custody of the Depository, and the book-entry is the record that identifies the owners of beneficial interests in those Bonds.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of Bonds and to effect transfers of Bonds, in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

All or any portion of the Bonds may be initially issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Ordinance; (i) there shall be a single Bond of each maturity, (ii) those Bonds shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Bonds in book-entry form shall be shown by book-entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book-entry; and (v) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City. Bond service charges on Bonds in book-entry form registered in the name of a Depository or its nominee shall be payable in next day funds delivered to the Depository or its authorized representative (i) in the case of interest, on each Interest Payment Date, and (ii) in all other cases, upon presentation and surrender of Bonds as provided in this Ordinance.

The Bond Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Bond in the custody of a Depository providing for making all payments to that owner of principal and interest on that Bond or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided above in this Ordinance, without prior presentation or surrender of the Bond, upon any conditions which shall be satisfactory to the Bond Registrar and to the City. That payment in any event shall be made to the person who is the registered owner of that Bond on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Bond Registrar shall furnish a copy of each of those agreements, certified to be correct by the Bond Registrar, to other paying agents for Bonds and to the City. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Ordinance.

If requested, the Director of Finance and the Mayor of the City are authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the City, the letter agreement among the City, the Bond Registrar and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Bonds to the Depository for use in a book-entry system in substantially the form submitted to this Council.

The City may decide to discontinue use of the book-entry system through the Depository. In that event, Bond certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as a depository for the Bonds for use in a book-entry system, the City and the Bond Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Bond Registrar do not or are unable to do so, the City and the Bond Registrar, after the Bond Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Bonds from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing definitive Bonds), if the event is not the result of action or inaction by the City or the Bond Registrar, of those persons requesting such issuance.

**Section 10.** Debt Service Levy. There shall be and is hereby levied annually on all the taxable property in the City, in addition to all other taxes and inside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Bonds are outstanding, for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Bonds as and when the same falls due and to provide a fund for the repayment of the principal of the Bonds at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution; provided, however, that in each year to the extent that funds are available from other sources and are lawfully appropriated for the payment of the Bonds, the amount of the Debt Service Levy shall be reduced by the amount of such funds so available and appropriated.

The Debt Service Levy shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of such years are certified, extended and collected. The Debt Service Levy shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payment of the interest and principal of the Bonds when and as the same falls due.

**Section 11.** Income Tax Pledge. The City hereby covenants, pursuant to Section 133.05(B)(7), Ohio Revised Code, to appropriate annually from lawfully available municipal income taxes, and to continue to levy and collect municipal income taxes adequate to produce, amounts necessary to meet the debt charges on the Bonds in each year until full payment is made.

**Section 12.** Sale of the Bonds. The Bonds shall be sold at private sale to KeyBanc Capital Markets Inc., Columbus, Ohio (the "Original Purchaser"), at the purchase price set forth in the Certificate of Fiscal Officer, plus interest accrued to the date of delivery of the Bonds to the Original Purchaser. The Director of Finance and the Mayor of the City, or either of them individually, are authorized and directed to execute on behalf of the City a Bond Purchase Agreement with the Original Purchaser, setting forth the conditions under which the Bonds are to be sold and delivered, which Bond Purchase Agreement shall be in such form, not inconsistent with this Ordinance, as the Director of Finance shall determine.

Any accrued interest received from the sale of the Bonds shall be transferred to the bond retirement fund to be applied to the payment of the principal of and interest on the Bonds, or other obligations of the City, as permitted by law. Any premium received from the sale of the Bonds may be used to pay the financing costs of the Bonds within the meaning of Ohio Revised Code Section 133.01(K) or be deposited into the bond retirement fund in the manner provided by law.

**Section 13.** Federal Tax Law Compliance. The City hereby covenants that it shall comply with the requirements of all existing and future laws which must be satisfied in order that interest on the Bonds is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Bonds so that the Bonds will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The City further covenants that it shall restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are issued, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

The Director of Finance, or any other officer, including the Mayor, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the City with respect to the Bonds as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Director of Finance, which action shall be in writing and signed by the Director of Finance, or any other officer, including the Mayor, on behalf of the City; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds; and (c) to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the City pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the City regarding compliance by the City with Sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Bonds sufficient to permit, to the maximum extent possible and presently foreseeable, the City to comply with any federal law or regulation now or hereafter having applicability to the Bonds which limits the amount of bond proceeds which may be invested on an unrestricted yield or requires the City to rebate arbitrage profits to the United States Department of the Treasury. The Director of Finance is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Bonds requires any such reports or rebates.

**Section 14.** Municipal Bond Insurance. The Director of Finance, or any other officer, including the Mayor, is authorized to make appropriate arrangements, if such officer deems it in the best interest of the City, for the issuance of a municipal bond insurance policy with respect to all or any portion of the Bonds, including executing and delivering a commitment therefor and certificates and other documents in connection therewith. All additional provisions required to be authorized by this Council for the issuance of a municipal bond insurance policy shall be contained in the Certificate of Fiscal Officer.

**Section 15.** Official Statement. The distribution of an Official Statement of the City, in preliminary and final form, relating to the original issuance of the Bonds is hereby authorized, and the Mayor and the Director of Finance are hereby authorized and directed to negotiate, prepare and execute, on behalf of the City and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Bonds, and they are authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Bonds as they deem necessary or appropriate to protect the interests of the City. The Mayor, Director of Finance and the Director of Law, are each authorized to execute and deliver, on behalf of the City and in their official capacities, such certificates in connection with the accuracy of the Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

**Section 16.** Obtaining of Rating for the Bonds. The obtaining or updating of a rating or ratings on the Bonds and the City is hereby authorized if the Director of Finance determines that it is necessary or advisable in connection with the original issuance of the Bonds. If the Director of Finance so determines, then the Director of Finance and this Council are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

**Section 17.** Transcript of Proceedings; Execution of Additional Documents. The officer having charge of the minutes of the Council and any other officers of the Council, or any of them individually, are hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Bonds and to furnish a copy of such transcript to the Original Purchaser. **Section 19.** Compliance with Open Meeting Requirements. It is hereby found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

**WHEREAS**, the Director of Finance (the "Director of Finance") of the City of Hilliard (the "City") has certified to this Council that the estimated life of the improvement stated in the title of this ordinance (the "Project") which is to be constructed from the proceeds of the bonds herein described exceeds five years and the maximum maturity of said bonds is 20 years; and

**WHEREAS**, it is now deemed necessary to issue and sell not to exceed \$175,000 of such bonds under authority of the general laws of the State of Ohio, including Chapter 133, Ohio Revised Code, and in particular Section 133.23 thereof, and the Charter of the City, for the purpose stated in the title of this ordinance.

**NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF HILLIARD, OHIO:**

**Section 1.** Issuance of the Bonds. It is hereby declared necessary to issue bonds of the City in the principal sum of not to exceed \$175,000, or such lesser amount as shall be determined by the Director of Finance and certified to this Council, which bonds shall be designated "City of Hilliard, Ohio Various Purpose Bonds, Series 2016," or as otherwise determined by the Director of Finance (the "Bonds"), for the purpose described in the title of this Ordinance. The Bonds may be issued in one or more series.

**Section 2.** Combining Bonds for Purposes of Issuance and Sale. It is hereby determined, that for the purposes of issuance and sale, it may be in the best interest of the City to combine the Bonds with other limited tax general obligation bonds of the City authorized by separate ordinance of this Council. The Bonds and such other bonds shall be jointly referred to herein as the "Combined Bonds." As used in this Ordinance, the term "Bonds" shall also mean the Combined Bonds, where appropriate.

**Section 3.** Terms of the Bonds. The Bonds shall be issued as fully registered bonds in book-entry form only, in denominations of \$5,000 or any integral multiple thereof; shall be numbered consecutively from R-1 upward, as determined by the Director of Finance; shall be dated the date determined by the Director of Finance and set forth in the Certificate of Fiscal Officer provided for hereinbelow; and shall bear interest, payable semiannually on such dates as shall be determined by the Director of Finance and set forth in the Certificate of Fiscal Officer, until the principal sum is paid or provision has been duly made therefor. Interest shall be calculated on the basis of a 360-day year of twelve 30-day months.

**Section 4.** Certificate of Fiscal Officer Relating to Terms of Bonds. The Director of Finance is hereby authorized and directed to execute of behalf of the City a Certificate of Fiscal Officer Relating to Terms of Bonds (the "Certificate of Fiscal Officer") setting forth the aggregate principal amount and the final terms of the Bonds, which aggregate principal amount and terms, subject to the limitations set forth in this Ordinance, shall be as determined by the Director of Finance. The Certificate of Fiscal Officer shall indicate the dated date for the Bonds, the dates on which interest on the Bonds is to be paid (the "Interest Payment Date"), the purchase price for the Bonds (which shall be not less than 97% of the face value thereof), the maturity schedule for the Bonds, the interest rates for the Bonds (provided that the true interest cost for all Bonds in the aggregate shall not exceed 5.00% per annum, the optional and mandatory redemption provisions, if any, and such other terms not inconsistent with this Ordinance as the Director of Finance shall deem appropriate.

**Section 5.** Redemption Provisions of the Bonds. The Bonds shall be subject to optional and mandatory redemption prior to stated maturity, as provided in the Certificate of Fiscal Officer. If optional redemption of the Bonds at a redemption price exceeding 100% is to take place on any date on which a mandatory redemption of the Bonds of the same maturity will take place, the Bonds to be redeemed by optional redemption shall be selected by the Bond Registrar (as defined hereinbelow) prior to the selection of the Bonds to be redeemed at par on the same date.

When partial redemption is authorized, the Bond Registrar shall select Bonds or portions thereof by lot within a maturity in such manner as the Bond Registrar may determine, provided, however, that the portion of any Bond so selected will be in the amount of \$5,000 or any integral multiple thereof.

The notice of the call for redemption of Bonds shall identify (i) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (ii) the redemption price to be paid, (iii) the date fixed for redemption, and (iv) the place or places where the amounts due upon redemption are payable. From and after the specified redemption date interest on the Bonds (or portions thereof) called for redemption shall cease to accrue. Such notice shall be sent by first class mail at least 30 days prior to the redemption date to each registered holder of Bonds to be redeemed at the address shown in the Bond Register (as defined hereinbelow) on the 15th day preceding the date of mailing. Failure to receive such notice of any defect therein shall not affect the validity of the proceedings for the redemption of any Bond.

**Section 6.** Form and Execution of the Bonds. The Bonds shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Ordinance; and shall be executed by the Director of Finance and the Mayor of the City (the "Mayor"), in their official capacities, provided that either or both of their signatures may be a facsimile. No Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Ordinance unless and until a certificate of authentication, as printed on the Bond, is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued and delivered under this Ordinance and is entitled to the security and benefit of this Ordinance. The certificate of authentication may be signed by any officer or officers of the Bond Registrar or by such other person acting as an agent of the Bond Registrar as shall be approved by the Director of Finance on behalf of the City. It shall not be necessary that the same authorized person sign the certificate of authentication on all of the Bonds.

**Section 7.** Payment of the Bonds. The principal of and interest on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. The principal of the Bonds shall be payable upon presentation and surrender of the Bonds at the principal office of the Bond Registrar. Each Bond shall bear interest from the later of the date thereof, or the most recent Interest Payment Date to which interest has been paid or duly provided for, unless the date of authentication of any Bond is less than 15 days prior to an Interest Payment Date, in which case interest shall accrue from such Interest Payment Date. Interest on any Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered, at the close of business on the 15th day next preceding that Interest Payment Date (the "Record Date") (unless such date falls on a non business day, in which case the Record Date shall be the preceding business day), on the Bond Register at the address appearing therein.

Any interest on any Bond which is payable, but is not punctually paid or provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Record Date by virtue of having been such owner and such Defaulted Interest shall be paid to the registered owner in whose name the Bond is registered at the close of business on a date (the "Special Record Date") to be fixed by the Bond Registrar, such Special Record Date to be not more than 15 nor less than 10 days prior to the date of proposed payment. The Bond Registrar shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Bondholder, at such Bondholder's address as it appears in the Bond Register, not less than 10 days prior to such Special Record Date, and may, in its discretion, cause a similar notice to be published once in a newspaper in each place where Bonds are payable, but such publication shall not be a condition precedent to the establishment of such Special Record Date.

Subject to the foregoing provisions of this Section, each Bond delivered by the Bond Registrar upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

**Section 8.** Appointment of Bond Registrar. The Director of Finance is hereby authorized and directed to serve as authenticating agent, bond registrar, transfer agent, and paying agent for the Bonds (the "Bond Registrar") or to execute on behalf of the Council a Bond Registrar Agreement with such bank or other appropriate financial institution as shall be acceptable to the Director of Finance and the Original Purchaser, pursuant to which such bank or financial institution shall agree to serve as the Bond

Registrar for the Bonds. If at any time the Bond Registrar shall be unable or unwilling to serve as such, or the Director of Finance in such officer's discretion shall determine that it would be in the best interest of the City for such functions to be performed by another party, the Director of Finance may, and is hereby authorized and directed to enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Bond Registrar hereunder. Each such successor Bond Registrar shall promptly advise all bondholders of the change in identity and new address of the Bond Registrar. So long as any of the Bonds remain outstanding, the City shall cause to be maintained and kept by the Bond Registrar, at the office of the Bond Registrar, all books and records necessary for the registration, exchange and transfer of Bonds as provided in this Section (the "Bond Register"). Subject to the provisions of hereinabove, the person in whose name any Bond shall be registered on the Bond Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of that person. Neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds, including the interest thereon, to the extent of the amount or amounts so paid.

Any Bond, upon presentation and surrender at the office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar, may be exchanged for Bonds of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

A Bond may be transferred only on the Bond Register upon presentation and surrender thereof at the office of the Bond Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar. Upon that transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

The City and the Bond Registrar shall not be required to transfer or exchange (i) any Bond during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Bonds, and ending at the close of business on the day of such mailing, or (ii) any Bonds selected for redemption, in whole or in part, following the date of such mailing.

In all cases in which Bonds are exchanged or transferred hereunder, the City shall cause to be executed and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the owner; except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Bonds. All Bonds issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Bonds surrendered upon that transfer or exchange.

**Section 9.** Book-Entry System. For purposes of this Ordinance, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Bonds may be transferred only through a book-entry and (ii) physical Bonds in fully registered form are issued only to the Depository or its nominee as registered owner, with the Bonds "immobilized" to the custody of the Depository, and the book-entry is the record that identifies the owners of beneficial interests in those Bonds.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of Bonds and to effect transfers of Bonds, in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

All or any portion of the Bonds may be initially issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Ordinance; (i) there shall be a single Bond of each maturity, (ii) those Bonds shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Bonds in book-entry form shall be shown by book-entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book-entry; and (v) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City. Bond service charges on Bonds in book-entry form registered in the name of a Depository or its nominee shall be payable in next day funds delivered to the Depository or its authorized representative (i) in the case of interest, on each Interest Payment Date, and (ii) in all other cases, upon presentation and surrender of Bonds as provided in this Ordinance.

The Bond Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Bond in the custody of a Depository providing for making all payments to that owner of principal and interest on that Bond or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided above in this Ordinance, without prior presentation or surrender of the

Bond, upon any conditions which shall be satisfactory to the Bond Registrar and to the City. That payment in any event shall be made to the person who is the registered owner of that Bond on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Bond Registrar shall furnish a copy of each of those agreements, certified to be correct by the Bond Registrar, to other paying agents for Bonds and to the City. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Ordinance.

If requested, the Director of Finance and the Mayor of the City are authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the City, the letter agreement among the City, the Bond Registrar and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Bonds to the Depository for use in a book-entry system in substantially the form submitted to this Council.

The City may decide to discontinue use of the book-entry system through the Depository. In that event, Bond certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as a depository for the Bonds for use in a book-entry system, the City and the Bond Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Bond Registrar do not or are unable to do so, the City and the Bond Registrar, after the Bond Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Bonds from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing definitive Bonds), if the event is not the result of action or inaction by the City or the Bond Registrar, of those persons requesting such issuance.

**Section 10.** Debt Service Levy. There shall be and is hereby levied annually on all the taxable property in the City, in addition to all other taxes and inside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Bonds are outstanding, for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Bonds as and when the same falls due and to provide a fund for the repayment of the principal of the Bonds at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution; provided, however, that in each year to the extent that funds are available from other sources and are lawfully appropriated for the payment of the Bonds, the amount of the Debt Service Levy shall be reduced by the amount of such funds so available and appropriated.

The Debt Service Levy shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of such years are certified, extended and collected. The Debt Service Levy shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payment of the interest and principal of the Bonds when and as the same falls due.

**Section 11.** Income Tax Pledge. The City hereby covenants, pursuant to Section 133.05(B)(7), Ohio Revised Code, to appropriate annually from lawfully available municipal income taxes, and to continue to levy and collect municipal income taxes adequate to produce, amounts necessary to meet the debt charges on the Bonds in each year until full payment is made.

**Section 12.** Sale of the Bonds. The Bonds shall be sold at private sale to KeyBanc Capital Markets Inc., Columbus, Ohio (the "Original Purchaser"), at the purchase price set forth in the Certificate of Fiscal Officer, plus interest accrued to the date of delivery of the Bonds to the Original Purchaser. The Director of Finance and the Mayor of the City, or either of them individually, are authorized and directed to execute on behalf of the City a Bond Purchase Agreement with the Original Purchaser, setting forth the conditions under which the Bonds are to be sold and delivered, which Bond Purchase Agreement shall be in such form, not inconsistent with this Ordinance, as the Director of Finance shall determine.

Any accrued interest received from the sale of the Bonds shall be transferred to the bond retirement fund to be applied to the payment of the principal of and interest on the Bonds, or other obligations of the City, as permitted by law. Any premium received from the sale of the Bonds may be used to pay the financing costs of the Bonds within the meaning of Ohio Revised Code Section 133.01(K) or be deposited into the bond retirement fund in the manner provided by law.

**Section 13.** Federal Tax Law Compliance. The City hereby covenants that it shall comply with the requirements of all existing and future laws which must be satisfied in order that interest on the Bonds is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Bonds so that the Bonds will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The City further covenants that it shall restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are issued, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

The Director of Finance, or any other officer, including the Mayor, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the City with respect to the Bonds as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or

payments, as determined by the Director of Finance, which action shall be in writing and signed by the Director of Finance, or any other officer, including the Mayor, on behalf of the City; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds; and (c) to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the City pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the City regarding compliance by the City with Sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Bonds sufficient to permit, to the maximum extent possible and presently foreseeable, the City to comply with any federal law or regulation now or hereafter having applicability to the Bonds which limits the amount of bond proceeds which may be invested on an unrestricted yield or requires the City to rebate arbitrage profits to the United States Department of the Treasury. The Director of Finance is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Bonds requires any such reports or rebates.

**Section 14.** Municipal Bond Insurance. The Director of Finance, or any other officer, including the Mayor, is authorized to make appropriate arrangements, if such officer deems it in the best interest of the City, for the issuance of a municipal bond insurance policy with respect to all or any portion of the Bonds, including executing and delivering a commitment therefor and certificates and other documents in connection therewith. All additional provisions required to be authorized by this Council for the issuance of a municipal bond insurance policy shall be contained in the Certificate of Fiscal Officer.

**Section 15.** Official Statement. The distribution of an Official Statement of the City, in preliminary and final form, relating to the original issuance of the Bonds is hereby authorized, and the Mayor and the Director of Finance are hereby authorized and directed to negotiate, prepare and execute, on behalf of the City and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Bonds, and they are authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Bonds as they deem necessary or appropriate to protect the interests of the City. The Mayor, Director of Finance and the Director of Law, are each authorized to execute and deliver, on behalf of the City and in their official capacities, such certificates in connection with the accuracy of the Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

**Section 16.** Obtaining of Rating for the Bonds. The obtaining or updating of a rating or ratings on the Bonds and the City is hereby authorized if the Director of Finance determines that it is necessary or advisable in connection with the original issuance of the Bonds. If the Director of Finance so determines, then the Director of Finance and this Council are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

**Section 17.** Transcript of Proceedings; Execution of Additional Documents. The officer having charge of the minutes of the Council and any other officers of the Council, or any of them individually, are hereby authorized and directed to prepare and certify a true transcript of proceedings pertaining to the Bonds and to furnish a copy of such transcript to the Original Purchaser. Such transcript shall include certified copies of all proceedings and records of the Council relating to the power and authority of the City to issue the Bonds and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Clerk of Council and a no-litigation certificate of the Mayor and the Director of Finance, and such certified copies and certificates shall be deemed representations of the City as to the facts stated therein.

The Director of Finance is hereby authorized and directed to take such action and to execute and deliver, on behalf of this Council, such additional instruments, agreements, certificates, and other documents as may be in his discretion necessary or appropriate in order to carry out the intent of this Ordinance. Such documents shall be in the form not substantially inconsistent with the terms of this Ordinance, as he in his discretion shall deem necessary or appropriate.

**Section 18.** Satisfaction of Conditions for Bond Issuance. It is hereby found and determined that all acts, conditions and things necessary to be done precedent to and in the issuing of the Bonds in order to make them legal, valid and binding obligations of the City have happened, been done and been performed in regular and due form as required by law; that the faith, credit and revenue of the City are hereby irrevocably pledged for the prompt payment of the principal and interest thereof at maturity; and that no limitation of indebtedness or taxation, either statutory or constitutional, has been exceeded in issuing the Bonds.

**Section 19.** Compliance with Open Meeting Requirements. It is hereby found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

**Section 20.** Filing of Bond Ordinance. The City Clerk is hereby directed to forward a certified copy of this Ordinance to the County Auditor of Franklin County, Ohio.

**Section 21.** Effective Date. This Ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health and safety of the City and its inhabitants for the reason that notes heretofore issued are about to mature and it is necessary to make immediate provision for their repayment in order to preserve the credit of the City; wherefore this Ordinance shall take effect and be in force from and immediately after its adoption.

**WHEREAS**, the Director of Finance (the "Director of Finance") of the City of Hilliard (the "City") has certified to this Council that the estimated life of the improvement stated in the title of this ordinance (the "Project") which is to be constructed from the proceeds of the bonds herein described exceeds five years and the maximum maturity of said bonds is 40 years; and

**WHEREAS**, it is now deemed necessary to issue and sell not to exceed \$250,000 of such bonds under authority of the general laws of the State of Ohio, including Chapter 133, Ohio Revised Code, and in particular Section 133.23 thereof, and the Charter of the City, for the purpose stated in the title of this ordinance.

**NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF HILLIARD, OHIO:**

**Section 1.** Issuance of the Bonds. It is hereby declared necessary to issue bonds of the City in the principal sum of not to exceed \$250,000, or such lesser amount as shall be determined by the Director of Finance and certified to this Council, which bonds shall be designated "City of Hilliard, Ohio Various Purpose Bonds, Series 2016," or as otherwise determined by the Director of Finance (the "Bonds"), for the purpose described in the title of this Ordinance. The Bonds may be issued in one or more series.

**Section 2.** Combining Bonds for Purposes of Issuance and Sale. It is hereby determined, that for the purposes of issuance and sale, it may be in the best interest of the City to combine the Bonds with other limited tax general obligation bonds of the City authorized by separate ordinance of this Council. The Bonds and such other bonds shall be jointly referred to herein as the "Combined Bonds." As used in this Ordinance, the term "Bonds" shall also mean the Combined Bonds, where appropriate.

**Section 3.** Terms of the Bonds. The Bonds shall be issued as fully registered bonds in book-entry form only, in denominations of \$5,000 or any integral multiple thereof; shall be numbered consecutively from R-1 upward, as determined by the Director of Finance; shall be dated the date determined by the Director of Finance and set forth in the Certificate of Fiscal Officer provided for hereinbelow; and shall bear interest, payable semiannually on such dates as shall be determined by the Director of Finance and set forth in the Certificate of Fiscal Officer, until the principal sum is paid or provision has been duly made therefor. Interest shall be calculated on the basis of a 360-day year of twelve 30-day months.

**Section 4.** Certificate of Fiscal Officer Relating to Terms of Bonds. The Director of Finance is hereby authorized and directed to execute on behalf of the City a Certificate of Fiscal Officer Relating to Terms of Bonds (the "Certificate of Fiscal Officer") setting forth the aggregate principal amount and the final terms of the Bonds, which aggregate principal amount and terms, subject to the limitations set forth in this Ordinance, shall be as determined by the Director of Finance. The Certificate of Fiscal Officer shall indicate the dated date for the Bonds, the dates on which interest on the Bonds is to be paid (the "Interest Payment Date"), the purchase price for the Bonds (which shall be not less than 97% of the face value thereof), the maturity schedule for the Bonds, the interest rates for the Bonds (provided that the true interest cost for all Bonds in the aggregate shall not exceed 5.00% per annum, the optional and mandatory redemption provisions, if any, and such other terms not inconsistent with this Ordinance as the Director of Finance shall deem appropriate.

**Section 5.** Redemption Provisions of the Bonds. The Bonds shall be subject to optional and mandatory redemption prior to stated maturity, as provided in the Certificate of Fiscal Officer. If optional redemption of the Bonds at a redemption price exceeding 100% is to take place on any date on which a mandatory redemption of the Bonds of the same maturity will take place, the Bonds to be redeemed by optional redemption shall be selected by the Bond Registrar (as defined hereinbelow) prior to the selection of the Bonds to be redeemed at par on the same date.

When partial redemption is authorized, the Bond Registrar shall select Bonds or portions thereof by lot within a maturity in such manner as the Bond Registrar may determine, provided, however, that the portion of any Bond so selected will be in the amount of \$5,000 or any integral multiple thereof.

The notice of the call for redemption of Bonds shall identify (i) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (ii) the redemption price to be paid, (iii) the date fixed for redemption, and (iv) the place or places where the amounts due upon redemption are payable. From and after the specified redemption date interest on the Bonds (or portions thereof) called for redemption shall cease to accrue. Such notice shall be sent by first class mail at least 30 days prior to the redemption date to each registered holder of Bonds to be redeemed at the address shown in the Bond Register (as defined hereinbelow) on the 15th day preceding the date of mailing. Failure to receive such notice of any defect therein shall not affect the validity of the proceedings for the redemption of any Bond.

**Section 6.** Form and Execution of the Bonds. The Bonds shall express upon their faces the purpose for which they are issued and that they are issued pursuant to this Ordinance; and shall be executed by the Director of Finance and the Mayor of the City (the "Mayor"), in their official capacities, provided that either or both of their signatures may be a facsimile. No Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Ordinance unless and until a certificate of authentication, as printed on the Bond, is signed by the Bond Registrar as authenticating agent. Authentication by the Bond

Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued and delivered under this Ordinance and is entitled to the security and benefit of this Ordinance. The certificate of authentication may be signed by any officer or officers of the Bond Registrar or by such other person acting as an agent of the Bond Registrar as shall be approved by the Director of Finance on behalf of the City. It shall not be necessary that the same authorized person sign the certificate of authentication on all of the Bonds.

**Section 7.** Payment of the Bonds. The principal of and interest on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. The principal of the Bonds shall be payable upon presentation and surrender of the Bonds at the principal office of the Bond Registrar. Each Bond shall bear interest from the later of the date thereof, or the most recent Interest Payment Date to which interest has been paid or duly provided for, unless the date of authentication of any Bond is less than 15 days prior to an Interest Payment Date, in which case interest shall accrue from such Interest Payment Date. Interest on any Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered, at the close of business on the 15th day next preceding that Interest Payment Date (the "Record Date") (unless such date falls on a non business day, in which case the Record Date shall be the preceding business day), on the Bond Register at the address appearing therein.

Any interest on any Bond which is payable, but is not punctually paid or provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Record Date by virtue of having been such owner and such Defaulted Interest shall be paid to the registered owner in whose name the Bond is registered at the close of business on a date (the "Special Record Date") to be fixed by the Bond Registrar, such Special Record Date to be not more than 15 nor less than 10 days prior to the date of proposed payment. The Bond Registrar shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each Bondholder, at such Bondholder's address as it appears in the Bond Register, not less than 10 days prior to such Special Record Date, and may, in its discretion, cause a similar notice to be published once in a newspaper in each place where Bonds are payable, but such publication shall not be a condition precedent to the establishment of such Special Record Date.

Subject to the foregoing provisions of this Section, each Bond delivered by the Bond Registrar upon transfer of or in exchange for or in lieu of any other Bond shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bond.

**Section 8.** Appointment of Bond Registrar. The Director of Finance is hereby authorized and directed to serve as authenticating agent, bond registrar, transfer agent, and paying agent for the Bonds (the "Bond Registrar") or to execute on behalf of the Council a Bond Registrar Agreement with such bank or other appropriate financial institution as shall be acceptable to the Director of Finance and the Original Purchaser, pursuant to which such bank or financial institution shall agree to serve as the Bond Registrar for the Bonds. If at any time the Bond Registrar shall be unable or unwilling to serve as such, or the Director of Finance in such officer's discretion shall determine that it would be in the best interest of the City for such functions to be performed by another party, the Director of Finance may, and is hereby authorized and directed to enter into an agreement with a national banking association or other appropriate institution experienced in providing such services, to perform the services required of the Bond Registrar hereunder. Each such successor Bond Registrar shall promptly advise all bondholders of the change in identity and new address of the Bond Registrar. So long as any of the Bonds remain outstanding, the City shall cause to be maintained and kept by the Bond Registrar, at the office of the Bond Registrar, all books and records necessary for the registration, exchange and transfer of Bonds as provided in this Section (the "Bond Register"). Subject to the provisions of hereinabove, the person in whose name any Bond shall be registered on the Bond Register shall be regarded as the absolute owner thereof for all purposes. Payment of or on account of the principal of and interest on any Bond shall be made only to or upon the order of that person. Neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as herein provided. All payments shall be valid and effectual to satisfy and discharge the liability upon the Bonds, including the interest thereon, to the extent of the amount or amounts so paid.

Any Bond, upon presentation and surrender at the office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar, may be exchanged for Bonds of the same form and of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

A Bond may be transferred only on the Bond Register upon presentation and surrender thereof at the office of the Bond Registrar, together with an assignment executed by the registered owner or by a person authorized by the owner to do so by a power of attorney in a form satisfactory to the Bond Registrar. Upon that transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations equal in the aggregate to the unmatured principal amount of the Bonds surrendered, and bearing interest at the same rate and maturing on the same date.

The City and the Bond Registrar shall not be required to transfer or exchange (i) any Bond during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of Bonds, and ending at the close of business on the day of such mailing, or (ii) any Bonds selected for redemption, in whole or in part, following the date of such mailing.

In all cases in which Bonds are exchanged or transferred hereunder, the City shall cause to be executed and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The exchange or transfer shall be

without charge to the owner; except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before it begins the procedure for the exchange or transfer of the Bonds. All Bonds issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Bonds surrendered upon that transfer or exchange.

**Section 9.** Book-Entry System. For purposes of this Ordinance, the following terms shall have the following meanings:

"Book-entry form" or "book-entry system" means a form or system under which (i) the beneficial right to payment of principal of and interest on the Bonds may be transferred only through a book-entry and (ii) physical Bonds in fully registered form are issued only to the Depository or its nominee as registered owner, with the Bonds "immobilized" to the custody of the Depository, and the book-entry is the record that identifies the owners of beneficial interests in those Bonds.

"Depository" means any securities depository that is a clearing agency under federal law operating and maintaining, together with its participants, a book-entry system to record beneficial ownership of Bonds and to effect transfers of Bonds, in book-entry form, and includes The Depository Trust Company (a limited purpose trust company), New York, New York.

All or any portion of the Bonds may be initially issued to a Depository for use in a book-entry system, and the provisions of this Section shall apply, notwithstanding any other provision of this Ordinance; (i) there shall be a single Bond of each maturity, (ii) those Bonds shall be registered in the name of the Depository or its nominee, as registered owner, and immobilized in the custody of the Depository; (iii) the beneficial owners in book-entry form shall have no right to receive Bonds in the form of physical securities or certificates; (iv) ownership of beneficial interests in any Bonds in book-entry form shall be shown by book-entry on the system maintained and operated by the Depository, and transfers of the ownership of beneficial interests shall be made only by the Depository and by book-entry; and (v) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City. Bond service charges on Bonds in book-entry form registered in the name of a Depository or its nominee shall be payable in next day funds delivered to the Depository or its authorized representative (i) in the case of interest, on each Interest Payment Date, and (ii) in all other cases, upon presentation and surrender of Bonds as provided in this Ordinance.

The Bond Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Bond in the custody of a Depository providing for making all payments to that owner of principal and interest on that Bond or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided above in this Ordinance, without prior presentation or surrender of the Bond, upon any conditions which shall be satisfactory to the Bond Registrar and to the City. That payment in any event shall be made to the person who is the registered owner of that Bond on the date that principal is due, or, with respect to the payment of interest, as of the applicable date agreed upon as the case may be. The Bond Registrar shall furnish a copy of each of those agreements, certified to be correct by the Bond Registrar, to other paying agents for Bonds and to the City. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Ordinance.

If requested, the Director of Finance and the Mayor of the City are authorized and directed to execute, acknowledge and deliver, in the name of and on behalf of the City, the letter agreement among the City, the Bond Registrar and The Depository Trust Company, as depository, to be delivered in connection with the issuance of the Bonds to the Depository for use in a book-entry system in substantially the form submitted to this Council.

The City may decide to discontinue use of the book-entry system through the Depository. In that event, Bond certificates will be printed and delivered to the Depository.

If any Depository determines not to continue to act as a depository for the Bonds for use in a book-entry system, the City and the Bond Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Bond Registrar do not or are unable to do so, the City and the Bond Registrar, after the Bond Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Bonds from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing definitive Bonds), if the event is not the result of action or inaction by the City or the Bond Registrar, of those persons requesting such issuance.

**Section 10.** Debt Service Levy. There shall be and is hereby levied annually on all the taxable property in the City, in addition to all other taxes and inside the ten mill limitation, a direct tax (the "Debt Service Levy") for each year during which any of the Bonds are outstanding, for the purpose of providing, and in an amount which is sufficient to provide, funds to pay interest upon the Bonds as and when the same falls due and to provide a fund for the repayment of the principal of the Bonds at maturity or upon redemption. The Debt Service Levy shall not be less than the interest and sinking fund tax required by Article XII, Section 11 of the Ohio Constitution; provided, however, that in each year to the extent that funds are available from other sources and are lawfully appropriated for the payment of the Bonds, the amount of the Debt Service Levy shall be reduced by the amount of such funds so available and appropriated.

The Debt Service Levy shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of such years are certified, extended and collected. The Debt Service Levy shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from the Debt Service Levy shall be placed in a separate and distinct fund, which shall be irrevocably pledged for the payment of the interest and principal of the Bonds when and as the same falls due.

**Section 11.** Income Tax Pledge. The City hereby covenants, pursuant to Section 133.05(B)(7), Ohio Revised Code, to appropriate annually from lawfully available municipal income taxes, and to continue to levy and collect municipal income taxes adequate to produce, amounts necessary to meet the debt charges on the Bonds in each year until full payment is made.

**Section 12.** Sale of the Bonds. The Bonds shall be sold at private sale to KeyBanc Capital Markets Inc., Columbus, Ohio (the "Original Purchaser"), at the purchase price set forth in the Certificate of Fiscal Officer, plus interest accrued to the date of delivery of the Bonds to the Original Purchaser. The Director of Finance and the Mayor of the City, or either of them individually, are authorized and directed to execute on behalf of the City a Bond Purchase Agreement with the Original Purchaser, setting forth the conditions under which the Bonds are to be sold and delivered, which Bond Purchase Agreement shall be in such form, not inconsistent with this Ordinance, as the Director of Finance shall determine.

Any accrued interest received from the sale of the Bonds shall be transferred to the bond retirement fund to be applied to the payment of the principal of and interest on the Bonds, or other obligations of the City, as permitted by law. Any premium received from the sale of the Bonds may be used to pay the financing costs of the Bonds within the meaning of Ohio Revised Code Section 133.01(K) or be deposited into the bond retirement fund in the manner provided by law.

**Section 13.** Federal Tax Law Compliance. The City hereby covenants that it shall comply with the requirements of all existing and future laws which must be satisfied in order that interest on the Bonds is and will continue to be excluded from gross income for federal income tax purposes, including without limitation restrictions on the use of the property financed with the proceeds of the Bonds so that the Bonds will not constitute "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code"). The City further covenants that it shall restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time the Bonds are issued, so that they will not constitute arbitrage bonds under Section 148 of the Code and the regulations prescribed thereunder (the "Regulations").

The Director of Finance, or any other officer, including the Mayor, is hereby authorized and directed (a) to make or effect any election, selection, designation, choice, consent, approval or waiver on behalf of the City with respect to the Bonds as permitted or required to be made or given under the federal income tax laws, for the purpose of assuring, enhancing or protecting favorable tax treatment or the status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing any rebate amount or any payment of penalties, or making any payments of special amounts in lieu of making computations to determine, or paying, any excess earnings as rebate, or obviating those amounts or payments, as determined by the Director of Finance, which action shall be in writing and signed by the Director of Finance, or any other officer, including the Mayor, on behalf of the City; (b) to take any and all actions, make or obtain calculations, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds; and (c) to give an appropriate certificate on behalf of the City, for inclusion in the transcript of proceedings, setting forth the facts, estimates and circumstances, and reasonable expectations of the City pertaining to Section 148 and the Regulations, and the representations, warranties and covenants of the City regarding compliance by the City with Sections 141 through 150 of the Code and the Regulations.

The Director of Finance shall keep and maintain adequate records pertaining to investment of all proceeds of the Bonds sufficient to permit, to the maximum extent possible and presently foreseeable, the City to comply with any federal law or regulation now or hereafter having applicability to the Bonds which limits the amount of bond proceeds which may be invested on an unrestricted yield or requires the City to rebate arbitrage profits to the United States Department of the Treasury. The Director of Finance is hereby authorized and directed to file such reports with, and rebate arbitrage profits to, the United States Department of the Treasury, to the extent that any federal law or regulation having applicability to the Bonds requires any such reports or rebates.

**Section 14.** Municipal Bond Insurance. The Director of Finance, or any other officer, including the Mayor, is authorized to make appropriate arrangements, if such officer deems it in the best interest of the City, for the issuance of a municipal bond insurance policy with respect to all or any portion of the Bonds, including executing and delivering a commitment therefor and certificates and other documents in connection therewith. All additional provisions required to be authorized by this Council for the issuance of a municipal bond insurance policy shall be contained in the Certificate of Fiscal Officer.

**Section 15.** Official Statement. The distribution of an Official Statement of the City, in preliminary and final form, relating to the original issuance of the Bonds is hereby authorized, and the Mayor and the Director of Finance are hereby authorized and directed to negotiate, prepare and execute, on behalf of the City and in their official capacity, the Official Statement and any supplements thereto as so executed in connection with the original issuance of the Bonds, and they are authorized and directed to advise the Original Purchaser in writing regarding limitations on the use of the Official Statement and any supplements thereto for purposes of marketing or reoffering the Bonds as they deem necessary or appropriate to protect the interests of the City. The Mayor, Director of Finance and the Director of Law, are each authorized to execute and deliver, on behalf of the City and in their official capacities, such certificates in connection with the accuracy of the Official Statement, in either preliminary or final form, and any supplements thereto as may, in their judgment, be necessary or appropriate.

**Section 16.** Obtaining of Rating for the Bonds. The obtaining or updating of a rating or ratings on the Bonds and the City is hereby authorized if the Director of Finance determines that it is necessary or advisable in connection with the original issuance of the Bonds. If the Director of Finance so determines, then the Director of Finance and this Council are hereby authorized and directed to take all steps necessary to obtain such rating or ratings.

Such transcript shall include certified copies of all proceedings and records of the Council relating to the power and authority of the City to issue the Bonds and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Clerk of Council and a no-litigation certificate of the Mayor and the Director of Finance, and such certified copies and certificates shall be deemed representations of the City as to the facts stated therein.

The Director of Finance is hereby authorized and directed to take such action and to execute and deliver, on behalf of this Council, such additional instruments, agreements, certificates, and other documents as may be in his discretion necessary or appropriate in order to carry out the intent of this Ordinance. **Section 18.** Satisfaction of Conditions for Bond Issuance. It is hereby found and determined that all acts, conditions and things necessary to be done precedent to and in the issuing of the Bonds in order to make them legal, valid and binding obligations of the City have happened, been done and been performed in regular and due form as required by law; that the faith, credit and revenue of the City are hereby irrevocably pledged for the prompt payment of the principal and interest thereof at maturity; and that no limitation of indebtedness or taxation, either statutory or constitutional, has been exceeded in issuing the Bonds.

**Section 19.** Compliance with Open Meeting Requirements. It is hereby found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action, were in meetings open to the public, in compliance with all legal requirements including Section 121.22 of the Ohio Revised Code.

**Section 20.** Filing of Bond Ordinance. The City Clerk is hereby directed to forward a certified copy of this Ordinance to the County Auditor of Franklin County, Ohio.

**Section 21.** Effective Date. This Ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health and safety of the City and its inhabitants for the reason that notes heretofore issued are about to mature and it is necessary to make immediate provision for their repayment in order to preserve the credit of the City; wherefore this Ordinance shall take effect and be in force from and immediately after its adoption.
